1957 - 1958 Dual Meet Record

January 11	--	U.P.S. 21	--	U.B.C. 57
January 31	--	U.P.S. 47	--	Eastern 34
Feburary 1	--	U.P.S. 40	--	Western 44
Feburary 12	--	U.P.S. 15	--	U.W. 70

The "modern day " University of Puget Sound Swim Team began during the 1957 - 1958 season. The Hugh Wallace Memorial Swimming Pool had just been constructed and Mr. Don Duncan, a graduate of Washington State University, was hired to run the pool, conduct classes and form a varsity swimming team.

For the first season Coach Duncan had about eleven swimmers, though at different times of the season this number fluctuated.

The first meet of the season came for the Loggers when they went against the University of British Columbia in the Wallace Pool. In this meet, U.P.S. got first places from Jack Snavely, (200 meter free 2:34.2 and 400 meter free 5:40.9), and Bob Newton in diving. Kimo Streeter swam to a first place in the 200 meter butterfly but was swimming exhibition and not for points. An interesting sidelight of this meet came when Raoul Ancira was asked by Coach Duncan to come down from the stands and swim the 50 meter freestyle, as the Loggers only had one man entered. It would be nice to say that he came through with a stirring victory but this was not to be the case as he finished fourth. The final score was U.B.C. 57 and U.P.S. 21.

The second meet for the Loggers came on January 31, at Cheney when they swam Eastern Washington. For this meet the Loggers arrived in a blinding snow storm. History was made here as the Loggers, on the strength of winning both relays, came out victorious 47-35. It came down to the last relay and the Loggers turned a very fast 4:09.3 to assure a victory. U.P.S. varsity records were set in every event but only first place times were kept so the list is not complete.

This is what we have:

50 yd. free -- Wendell Clare 27.8
100 yd. free -- Wendell Clare 1:07
220 yd. free -- Jack Snavely 2:30-5
440 yd. free -- Jack Snavely 5:35.3
200 yd. butterfly -- Kimo Streeter 3:03.4
200 yd breaststroke -- Kimo Streeter 3:02
400 yd. medley relay -- Helme, Holme, Streeter, Kerrick 5:11
400 yd. free relay -- Clare, Kerrick, Harris, Snavely 4:09.3

Right after this meet the Loggers piled back into their cars to drive all the way to Bellingham for a meet with Western Washington the next day. So inone day they drove 700 miles and had a swim meet in between.

For their meet with Western on February 1, the Loggers were showing the effects of their long drive and dropped a 44-40 decision to Western. Kimo Streeter set a new Varsity Record of 3:02.1 for the 200 yd. butterfly and Bob Harris set a new standard of 1:006 for the 100 yd. freestyle.

The Loggers then met powerful University of Washington. The Huskies trounced the Loggers 70-15. However, in this meet Jack Snavely returned a very fast 55.9 for the 100 yd. free to win the only event for the Loggers. This time was not to be broken by another Logger for four years. Glenn Kerrick set a varsity record for 200 yd. backstroke with a time of 3:32.1. Kimo Streeter dropped his 200 yd. butterfly time down to 2:57.5. The Logger medley relay also set a new varsity standard of 5:02.4.

February 14 saw the Loggers at Linfield College against the McMinville Swim Club. Swimming for Linfield at that time was Bob Gregson who is presently coach at Central Washington. The Loggers were defeated in that meet 51-26. In this meet a 120 yd. ind. medley was swum in a twenty yard pool, two lengths each of backstroke, breaststroke, crawl were swum.

On February 21 the Loggers hosted McMinnville and this time the Loggers made a better fight of it before losing 37-34. The key to this loss came when the Loggers had no entry in diving. McMinnville also was without a diver. If the Loggers had someone who could have fallen off the board for points they could have won the meet.

The ConferenceSwimming Championships was the last meet of the year for the Loggers. Conference Champions for the Loggers were Kimo Streeter who won the 200 butterfly in a new record of 2:47.4 and Jack Snavely who won three events. Jack won the 100 yd. free-56.5, 220 free-2:23.4 (a varsity record), and the 440 free-5:29.9 (a varsity record). Jerry Hartley

set a varsity record for the Loggers in finishing third in the 200 yd. breaststroke in 2:59.6. Hartley was a Quarter Back on the football team with no previous swimming experience. Coach Duncan convinced him to turn out. Bob Harris set a varsity record of 26.2 in the 50 yd. free. Kimo Streeter set a varsity record of 1:12.6 for 100 yd. butterfly. The Loggers finished third behind U.B.C. and Western.

Logger dual meet record for that year was one win and three losses as the meets with Linfield were just practice meets.

1958 - 1959 Dual Meet Record

November 19 -- U.P.S. 24½ -- U.W. 61½

January 9 -- U.P.S. 54 -- U.B.C. 31

January 16 -- U.P.S. 55 -- Eastern 29

U.P.S. 67 -- Western 13

January 24 -- U.P.S. 25 -- U.W. 61

February 16 -- U.P.S. 72 -- Western 13

February 20 -- U.P.S. 34 -- Oregon State 52

February 21 -- U.P.S. 63 -- Eastern 17

February 27 -- U.P.S. 52 -- U.B.C. 34

The 1958-1959 season began for the Loggers with eighteen swimmers. Back was conference champ Kimo Streeter in butterfly and also varsity record holder Jerry Hartley in the breaststroke; along with record holder Bob Harris in the 50 free. Biggest catch for the Loggers came in the person of Earl Ellis. Ellis had attended Iowa and had a few credits to go to graduate. Because of the rule not allowing freshmen to swim in N.C.A.A. competition at that time, it meant he had one year of swimming eligibility left in N.A.I.A. competition. Ellis would prove a valuable addition. The Loggers distance freestylers were delighted.

On November 29 the Loggers took on the University of Washington in a practice meet. In the very first event, the 400 yd. medley relay, the Logger quartet broke the varsity record by more than fifteen seconds in recording a 4:46. although losing to the "U". In the 220 freestyle Earl Ellis won and broke the varsity record with a 2:16.5. Next race Phil Oke broke the varsity record with a 25.2 for the 50 yd. freestyle. In the 200 yd. backstroke Ole Ordal set a varsity record of 2:41.1. The last varsity record was set by Earl Ellis in the 440 free with a time of 5:03. Although the Loggers lost this meet 61½-24½, they had turned in some fine early season times.

January 9, saw the Loggers going against arch rival U.B.C. Kimo Streeter turned in a varsity record of 3:04.4 for 200 meters butterfly. Gary Rasmuson clocked a varsity record 5:33.9 for 400 meters freestyle. Jerry Hartley got in the act with a varsity record 3:11.2 for 200 meters breaststroke. In the final event, U.P.S. set another record of 4:27 for the 400 meter freestyle relay. All this helped the Loggers to a first ever victory over U.B.C. by a 54-31 score.

January 16 saw U.P.S. going against Eastern and Western Washington. In this meet the Loggers triumphed 55-29 over Eastern and 67-13 over Western. Earl Ellis set a varsity record--2:41.5 for 200 yd. butterfly. Ole Ordal recorded a 2:44.5 for the 200 yd. back. Jerry Hartley clocked a 2:51.4 for the 200 yd. breast. The 400 medley relay returned a fine 4:30.5.

The Loggers had a return practice meet with U.W. on January 24. Kimo Streeter lowered his varsity record to 3:00.9 for 200 meter fly. Earl Ellis swam a 2:34.9 for 200 meters backstroke. The Loggers were beaten in the meet 61-25.

February 16 saw the Loggers in a return match with Western. The Loggers showed superiority over Western with a 72-13 pasting of the Vikings.

Oregon State was the U.P.S. foe on February 20. The Beavers proved a little to tough for the Loggers as they triumphed 52-34. The only record for U.P.S. was a 4:15.5 for the 400 meter free relay.

On February 21 U.P.S. swam Eastern and triumphed 63-17. Earl Ellis set a varsity and pool record of 1:01.4 for 100 meter free.

For their last dual meet of the year the Loggers faced U.B.C. The defending conference champions were again defeated by the Loggers 52-34. In the first event the Loggers again smashed the varsity record for 400 yd. medley relay with a fine 4:23.9 which was to stand for three years. Kimo Streeter turned a fine 2:39.7 for a varsity record in 200 yd. butterfly. Earl Ellis turned a 2:24.3 for 200 yd backstroke. Jerry Hartley broke another varsity record with a 2:45.6 for 200 yd. breaststroke. The Logger 400 yd. free relay team became the first to go under four minutes with a fine 3:54.9.

It looked like the Loggers might be sitting well for the Conference Championships. However, this was not to be as U.B.C. won with greater depth, even though U.P.S. had more first places. Winning first place for the Loggers were:

Earl Ellis -- 100 meter back -- 1:11
200 meter back -- 2:38.4
Ron Jones -- 200 meter free -- 2:29
400 meter free -- 5:21.6
Jerry Hartley -- 100 meter breaststroke -- 1:22.5
Kimo Streeter -- 100 meter butterfly -- 1:16.8
200 meter butterfly -- 3:02.9
U.P.S. ended up second to U.B.C.

U.P.S. sent its first swimmers to a national competition when Earl Ellis and Kimo Streeter accompanied coach Duncan to Muncey, Indiana for the N.A.I.A. Championships. On the strength of third place finishes in the 220 and 440 by Ellis, U.P.S. earned eight place in the team standings. Streeter had the misfortune of coming down with the flu and did not get to swim.

Final dual meet record for the Loggers was six wins and three losses.

1959 - 1960 Dual Meet Record

January 8 -- U.P.S. 58 -- Eastern 20

January 9 -- U.P.S. 36 -- U.B.C. 59

January 29 -- U.P.S. 64 -- Western 31

February 5 -- U.P.S. 60 -- Western 35

February 10 -- U.P.S. 28 -- U.W. 65

February 12 -- U.P.S. 63 -- Eastern 29

February 13 -- U.P.S. 21 -- W.S.U. 73

February 20 -- U.P.S. 20 -- U.W. 73

February 26 -- U.P.S. 41 -- Oregon State 53

February 27 -- U.P.S. 24 -- University of Oregon 70

U.P.S. began its season with a fairly large number of swimmers, but as the year progressed for one reason or another, swimmers dropped out. Thus, when the eligibility list went in on December 9th only nine swimmers were listed. Among these were conference champs Jerry Hartley, Kimo Streeter and Ron Jones; along with point getters Phil Oke, Gary Rassmussen and Vic Holme.

First meet for the Loggers was on January 8th at Tacoma against Eastern Washington. In this meet the Loggers triumphed over the Savages by a 58-29 score. It was a low pressure meet and the Loggers times were fairly slow.

The next day on January 9th, the Loggers took on U.B.C. The Thunderbirds had now dropped out of the Evergreen Conference and were in a Canadian Conference. U.P.S. did not have the fire power needed and dropped a 59-36 decision.

On January 29 came a meet with Western Washington at Bellingham. The Loggers had little trouble in defeating the Vikings 64-31. Jerry Hartley set a varsity record of 2:40.5 for the 200 yd. breaststroke. Gary Rasmussen set a new varsity standard of 2:31.4 for the 200 yd. ind. medley.

The Loggers in turn hosted Western Washington on February 5th. The final score read 60-35 in the Loggers favor.

On February 10 the Loggers took on the University of Washington at Tacoma. The Loggers were once again no match for the tough Huskie team as they went down to a 65-28 defeat. A double victor for the Loggers in that meet was Phil Oke in the 50 and 100 free style.

The Loggers travelled to Cheney for their next meet against Eastern Washington on February 12th. U.P.S. rested swimmers for this meet and won easily by a 63-29 score.

The next day on February 13, U.P.S. met Washington State University in their "bathtub" at Pullman. Once again the Pac Eight teams showed they still had the Loggers number as the "Cougs" swamped U.P.S. 73-21. The Loggers were not able to win a single event.

U.P.S. continued its rough schedule against U.W. on February 20th at Seattle. Once again we were trounced 73-20. In this meet Phil Oke was able to record a lone Logger victory in setting a Varsity Record of 24.4 for the 50 yd. free.

Another Pacific Eight team was in store for the Loggers at Corvallis on February 26 as the Loggers swam Oregon State. This meet proved a little closer but the Loggers still came out on the short end by a 53-41 score.

For its final "torture schedule" meet the Loggers faced University of Oregon at Eugene on February 27yh. Again the Loggers tasted defeat. This time the score was 70-24. Phil Oke tied Jack Snavely's 100 yd. free record with a 55.9 and led off the free relay in an unofficial 55.6.

After this schedule of meets the Loggers were glad to get back in the confines of the Evergreen Conference. The Conference Meet took place on March 4th and 5th. The Loggers were favorites because of the departure of U.B.C. The Evergreen Conference welcomed the new addition of Central Washington to the swimming wars during this meet. Following is a list of Logger Conference Champs in that meet:

Kimo Streeter --	100 meter butterfly --	1:16.6
	200 meter butterfly --	3:05
Phil Oke --	100 meter freestyle --	1:02.8
Jerry Hartley --	100 meter breast --	1:22.3
	200 meter breast --	3:02
Gary Rasmussen -	200 meter I. M. --	2:49.0
	200 meter backstroke -	2:49.5
Ron Jones --	200 meter freestyle --	2:24.4
	400 meter freestyle --	5:27.8
	400 meter medley relay	5:16.6

Although the Loggers had plenty of first places they still had a fight on their hands with teams that had more depth. Yet, the Loggers came out on top for their first Conference Championship with 118 points to Western's 105, Eastern's 80 and Central's 36.

The N.C.A.A. championships were in Seattle that year and Phil Oke was sent. Although he did not place, he set a varsity record of 24.2 for the 50 yd. free. After that meet Phil received a check for 42¢ for travel expenses.

The Logger final dual meet record for that year was four wins and six losses.

U.o.S. continued its rough schedule against U.M. on February 20th at Seattle. Once again we were trounced 75-20. In this meet Phil Uke was able to record a four lager victory in setting a Varsity Record of 24.4 for the 50 yd. Free.

Another Pacific Eight team was in store for the Loggers at Corvallis on February 26 as the Loggers swam Oregon State. This meet proved a little closer but the Loggers still came out on the short end by a 53-41 score.

For its final "tourney schedule" next the Loggers faced University of Oregon at Eugene on February 27th. Again the Loggers bested Oregon. This time the score was 70-24. Phil Uke tied Jack Enavely's 100 yd. Free record with a 55.9 and led off the Free Relay in an unofficial 55.6.

After this schedule of meets the Loggers were glad to get back in the confines of the Evergreen Conference. The Conference meet took place on Huron and 5th. The Loggers were favorites because of the departure of U.M.C. The Evergreen Conference welcomed the new addition of Central Washington to the swimming wars during this meet. Following is a list of Logger Conference Champs in that meet:

Kino Streeter -- 100 meter butterfly -- 1:56.8
200 meter butterfly -- 3:05

Phil Uke -- 100 meter freestyle -- 1:02.8

Terry Hartley -- 100 meter breast -- 1:42.3
200 meter breast -- 3:02

Gary Passmoren - 200 meter I.M. -- 2:49.0
200 meter backstroke - 2:49.5

Don Jones -- 200 Meter freestyle -- 2:24.4
400 meter freestyle -- 5:29.8
400 meter medley relay 5:16.6

Although the Loggers met plenty of first places they still had a fight on their hands with teams that had more depth. Yet, the Loggers came out on top for their first Conference Championship with 118 points to Western's 105. Eastern's 80 and Central's 36.

The N.C.A.A. championships were in Seattle that year and Phil Uke was sent. Although he did not place, he set a varsity record of 24.5 for the 50 yd. free. After that meet Phil received a check for $25 for travel expenses.

The Logger final dual meet record for that year was four wins and six losses.

1960 - 1961 Dual Meet Record

January 6 -- U.P.S. 81 -- U.B.C. 13

January 7 -- U.P.S. 76 -- Western 19

January 27 -- U.P.S. 60 -- Eastern 33

U.P.S. 34 -- Oregon State 61

February 3 -- U.P.S. 59 -- Central 32

February 4 -- U.P.S. 71 -- Eastern 24

February 11 -- U.P.S. 66 -- Western 39

February 17 -- U.P.S. 75 -- Central 20

February 18 -- U.P.S. 69 -- U.B.C. 26

1960 - 1961 began with a group of twenty - two swimmers and divers. Back were conference champs Phil Oke, Ron Jones, Jerry Hartley and Kimo Streeter. Best of the new commers were Dave Handy (distance free style) and Norm Clark (breaststroke).

For their first competition of the year the Loggers travelled to Linfield Oregon for the N.A.I.A. Invitational against teams from Linfield, Oregon College of Education, Willamette University and Portland University. Final team scores were: U.P.S. 87
Linfield 57
Oregon College of Education 28
Willamette 25
Portland U. 6

After the meet, U.P.S. was sent a large trophy with a letter suggesting that they not take part in any future N.A.I.A. Invitational meets.

The first dual meet of the season came on January 6th as U.P.S. hosted U.B.C. The Loggers were out to avenge last years defeat and smashed the "T-birds" 81-13. Stan Loe set a Logger record of 192.4 points for diving.

The next day the Loggers hosted Western Washington and continued their winning ways this time by a 76-19 score. Ron Jones set a record for the 200 meter ind. med. with a time of 2:46.5. Dave Handy set a record for the 200 meter butterfly with a time of 2:58.9.

After a layoff during closed period the Loggers again played host. This time to Eastern Washington. Final score was 60-33 in U.P.S. favor. This meet took place at one p.m. in the afternoon.

At 7:30 P.M. on the same day, the Loggers swam Oregon State in the Logger pool. Two meets in one day proved to much as the Loggers were defeated 61-34. John Seremeta in the 50 meter free and Ron Jones in the 400 meter free were the only Logger winners.

February 3rd saw the Loggers at Ellensburg for their first dual meet with Central Washington State College. In this meet the Loggers emerged victorious 59-32 against a

59-32 against a good second year Central team. Ron Jones set a varsity record of 2:32 for the 200 yd. I.M. Stan Loe re-broke his diving record when he recorded 194.9 points. Freshman Dave Handy returned a fine 2:36.4 for a record in the 200 yd. fly.

The next day at Cheney the Loggers took on Eastern Washington. Final score read 71-24 in the Loggers favor. Stan Loe continued to improve in his diving setting a new standard of 198.40 points.

On February 11 U.P.S. took on Western Washington at Bellingham. The Loggers again thumped the Vikings 66-29. Ron Jones returned a fine 2:25.7 for the 200 yd. I.M. for a varsity record.

Central Washington visited U.P.S. on February 17 but were not as strong as their first meeting and lost to the Loggers 75-20. Freshman Dave Handy continued to improve in butterfly by lowering his varsity record in the 200 meter fly to 2:51.7.

The last dual meet of the year for the Loggers was a return match with U.B.C. in Vancouver on February 18. The Loggers made it two straight as they persisted 69-26. U.B.C. stayed tough for four events as the Loggers only led 19-15. With diving the Loggers opened up. Once again Dave Handy recorded a varsity record with a 2:35.7 for the 200 yd.fly.

On March third and fourth the defending champion Loggers were heavily favored because they had beaten all the other teams at least twice that year, in the Evergreen Conference Finals at Cheney. Those on the championship list were ;

Ron Jones -- 200 yd. I.M. -- 2:31.3
220 yd. free -- 2:28.8
440 yd. free -- 5:30.3

Dave Handy -- 100 yd. fly -- 1:05.7
200 yd. fly -- 2:35.2

Phil Oke -- 100 yd. free -- 57.7

Final score of the meet was: U.P.S. 127½
Central 80½
Western 80
Eastern 57

U.P.S. ended their most successful dual meet season with an 8-1 record.

1961 - 1962 Dual Meet Record

January 6 -- U.P.S. 72 -- Western 22

January 9 -- U.P.S. 28 -- U.W. 67

January 12 -- U.P.S. 76 -- Eastern 18

January 26 -- U.P.S. 44 -- Oregon State 49

January 27 -- U.P.S. 20 -- University of Oregon 72

February 2 -- U.P.S. 62 -- Central 33

February 3 -- U.P.S. 68 -- Eastern 24

February 9 -- U.P.S. 66 -- Western 28

February 10 -- U.P.S. 71 -- Central 24

February 16 -- U.P.S. 39 -- W.S.U. 56

February 17 -- U.P.S. 59 -- U.B.C. 36

The 1961 - 1962 season saw the Loggers begin with a large group of Freshmen. Gone were conference champs Kimo Streeter, Phil Oke. However, back were Dave Handy and Ron Jones. The Freshmen squad looked good, led by John Jewell who became the first Logger swimmer on scholorship. Other outstanding freshmen were Gary Dyer (butterfly), Rick Perkins (freestyle), George Sickel (backstroke) and Brad Bacon (freestyle).

The Loggers got the season underway against Western on January 6th in the Wallace Pool. In the first event the Loggers showed promise ofthings to come when they recorded a new Loggers mark for the 400 meter medley relay of 4:46.6. In the 100 meter freestyle John Jewell recorded a new varsity record of 1:00.7. Dave Handy lowered his own varsity standard in the 200 meter butterfly to 2:50.9. Final score of the meet was 72-22 in the Loggers favor.

On January 9th U.P.S. travelled up to Seattle for a meeting with the University of Washington. Although the Loggers lost 67-28, they did set several varsity records. The Logger 400 yd. medley relay turned in a record breaking 4:17. Ron Jones recorded a 2:25.6 for the 200 yd. I.M. George Sickel a 2:22.3 for the 200 yd. backstroke and Norm Clark a 2:37.5 for the 200 yd. breaststroke.

Eastern Washington were the Logger guests on January 12 and in a low pressure meet the Loggers triumphed 76-18.

On January 26th the Loggers travelled to Corvallis to face Oregon State. In this meet, the Loggers came the closest they ever had. Trailing 40-19 they closed with a rush but finally lost 49-44. Brad Bacon set a U.P.S. varsity record of 55 seconds for the 100 yd. free. George Sickel also lowered his varsity record for the 200 yd. back to 2:22.1. In the final event the Loggers broke the Varsity Record for the 400 yd. free relay with a 3:43.9.

The next day saw the Loggers go against powerful University of Oregon. The Ducks thumped the U.P.S. mermen 72-20. Although, once again U.P.S. had several ggod performances. The Logger medley relay turned in a new varsity standard of 4:14.9. John Jewell swam the 220 yd. free in 2:15.7. In the final event the Loggers lowered their previous days record in the 400 yd. free relay to 3:43.7.

On February 2 U.P.S. was on the road again. This time they travelled to Ellensbury for a meet with Central Washington. In the first relay the Loggers were disqualified but quickly got back on the right track and won 62-33. The last event saw a new Logger record in the 400 yd. free relay of 3:41.5.

On the next day at Cheney, U.P.S. took on Eastern Washington. Final results saw the Loggers pull through easily by a 68-24 score. Diving saw Stan Loe rounding into shape as he became the first varsity diver to score over 200 points when he scored 2:02.55.

On February 9th U.P.S. motored to Bellingham for a meeting with Western Washington. Western was badly undermanned and the Loggers won easily 66-28. No outstanding times were recorded by the Loggers in this meet.

The next day saw the Loggers go against Central Washington at the Logger pool. The U.P.S. swimmers triumphed 71-24. John Jewell set two Logger records. His 26.8 for 50 meters freestyle was a record and in the 400 meter freestyle he became the first Logger under five minutes as he turned a 4:59.1.

February 16th saw the Loggers still trying to defeat Washington State but this was not to be the time as they went down to a 56-39 defeat. John Seremeta tied the Logger record for 50 meters freestyle with a 26.8. In a very exciting race John Jewell truned a 4:58.9 for 400 meters freestyle to touch out the Cougar swimmer by 4/10 of a second for a new Logger record.

For its final dual meet of the year the Loggers took in their arch rivals U.B.C. at Vancouver. The Loggers got off to a slow start losing the first relay but bounced back to win 59-36. For a meet so late in the year it was not an exceptionally good meet for the Loggers and no varsity standards were set.

The Conference Championships were held at Ellensburg on February 23 and 24. The Loggers won the team title quite easily. Conference Champs for the Loggers were:

Ron Jones -- 200 y. I.M. -- 2:25.3

Dave Handy -- 200 y. fly -- 2:39.5

George Sickel -- 200 yd. back -- 2:24.2
100 yd. back -- 1:04.6

John Jewell -- 220 yd. free -- 2:18.8

John Jewell -- 440 yd. free -- 5:06.7

Brad Bacon -- 100 yd. free -- 55.1

400 yd. medley relay -- 4:18.4

400 yd free relay -- 3:46.7

Final dual meet record for the Loggers was seven wins and four losses.

1962 - 1963 Dual Meet Record

December 8 -- U.P.S. 51 -- W.S.U. 44

U.P.S. 52 -- W.S.U. 43 Idaho 43

January 4 -- U.P.S. 64 -- U.B.C. 31

January 5 -- U.P.S. 81 -- Western 10

January 11 -- U.P.S. 75 -- Eastern 20

January 12 -- U.P.S. 16 -- U. of Oregon 79

January 25 -- U.P.S. 45 -- Oregon State 50

February 1 -- U.P.S. 68 -- Eastern 27

February 2 -- U.P.S. 66 Central 28

February 8 -- U.P.S. 52 -- Western 33

February 9 -- U.P.S. 72 -- Central 22

Another large group of freshmen were on hand to greet Coach Duncan for the 1962 - 1963 season. Bob Harper (breaststroke), Bill March (backstroke), and Richard Hurst (freestyle), showed much promise. Byron Stauffer, a transfer from Washington State, showed promise of re-writing all U.P.S. sprint freestyle records. Returning from last years team were Conference Champs John Jewell and George Sickel; along with consistant point winners Gary Dyer, Dave Handy, John Seremeta and Rick Perkins.

On December 2, U.P.S. travelled to Vancouver to take part in the Thunderbird Relays sponsored by U.B.C. In the 200 meter freestyle relay the Loggers won and set a Canadian open record of 1:48.9. The Loggers also broke the varsity record in winning the 400 meter medley relay with a time of 4:42.5.

This set the stage for what ranks as probably one of the greatest of all U.P.S. swim meets. On December 8th the Loggers drove to Pullman for a double dual meet against Washington State and the University of Idaho. The Loggers had never beaten W.S.U.. Idaho had three potential All-Americans that year. U.P.S. was just expected to fill up a couple of lanes for each event. Washington State set their lineup to swim Idaho and did not pay much attention to U.P.S. In the first event U.P.S. set a new Logger record of 4:12.5 for the 400 medley relay. In this event they beat W.S.U. but lost to Idaho. Score: U.P.S. 7 -- W.S.U. 0
U.P.S. 0 -- Idaho 7

In the 200 ud. freestyle, John Jewell sped to a varsity record in the time of 2:03.5. Score: U.P.S. 12 -- W.S.U. 4
U.P.S. 6 -- Idaho 10

The 50 free saw U.P.S. falter a bit but both Seremeta and Hurst scored points. Score: U.P.S. 16 -- W.S.U. 9
U.P.S. 10 -- Idaho 15

In the 200 yd I.M., George Sickel was U.P.S.'s lane entry and turned in a solid 2:24.6. Score: U.P.S. 19 -- W.S.U. 15
U.P.S. 13 -- Idaho 21

In diving U.P.S. picked up on Idaho with a 1-2 turned in by Stan Loe and Jerry Williams. Score: U.P.S. 22 -- W.S.U. 21
U.P.S. 21 -- Idaho 22

The 200 yd. butterfly saw Gary Dyer and Dave Handy turn in solid performances for points. Score: U.P.S. 30 -- W.S.U. 22
U.P.S. 25 -- Idaho 27

Once again U.P.S. showed good depth inthe 100 free while not winning they got points from Seremeta and Hurst.
Score: U.P.S. 34 -- W.S.U. 27
U.P.S. 29 -- Idaho 32

The 200 yd. backstroke saw the Loggers George Sickel set a Varsity record of 2:18.6 in a hotly contested race.
Score: U.P.S. 40 -- W.S.U. 30
U.P.S. 33 -- Idaho 37

John Jewell kept the Logger stretch drive going with a varsity record of 5:55.2 in winning the 500 yd freestyle.
Score: U.P.S. 45 -- W.S.U. 34
U.P.S. 39 -- Idaho 40

The 200 yd. breaststroke proved to be the turning point for U.P.S. as Bob Harper raced to a varsity record of 2:37.4. This enabled the Loggers to go ahead of Idaho for the first time. Score: U.P.S. 51 -- W.S.U. 37
U.P.S. 45 -- Idaho 43

The final event saw W.S.U. finally notice what was happening but it was too late as they were too far behind. Even though they won the 400 yd. free relay, they lost. Idaho had to beat U.P.S. in the last relay but although they had several good individuals, the had no depth and their freestyle relay finished far behind the Loggers. Final score: U.P.S. 51 -- W.S.U. 44
U.P.S. 52 -- Idaho 43

On December 15, U.P.S. held its Senior Mens Swim Meet and several good times were turned in by Loggers. Byron Stauffer competing unattached because of the transfer rule, set what would have been a varsity record in the 50 meter free at 26.1 and in the 100 meter free at 58.3. George Sickel set a school and pool record of 2:31.8 for 200 meter backstroke. John Jewell swam a varsity record 2:14.4 for the 200 meter freestyle. Gary Dyer set a record of 1:10.8 for 100 meter butterfly.

January 4th saw the Loggers go against U.B.C. at Puget Sound. The first event saw U.P.S. drop a very close medley relay but turn a varsity record of 4:36. In the 500 meter freestyle, John Jewell set a record of 6:19.1 and Bob Harper lowered the Logger standard for the 200 meter breaststroke to 2:49.0. The final event of the day saw the Loggers turn in a 4:07.4 for a new varsity record in the 400 meter free relay. Final score: 64-31 for the Loggers.

On January 5th the Loggers met an undermanned Western Washington State College. John Jewell set a varsity record

of 2:35.8 for the 200 meter I.M. The Logger 400 meter free relay set a new standard of 4:06.5. Final score: U.P.S. 81 and Western 10.

Eastern Washington was the next challenge for the Loggers on January 11. The Logger medley relay team swam to a fine varsity record of 4:32.7 for 400 meters. John Jewell swam a varsity record 6:19.0 for 500 meters freestyle. U.P.S. won 75 to 20.

January 12 saw the Loggers going against the powerfull "Ducks" of the University of Oregon. Several good times were turned in by U.P.S. swimmers. The Logger 400 yd. medley relay turned in a record 4:08.4. John Seremeta set a record of 24.0 for the 50 free. John Jewell's 2:20.4 for the 200 I.M. was a varsity record as was his 5:47.5 for 500 yd. freestyle. Bob Harper also lowered the varsity record to 2:33.6 for the 200 y. breaststroke. The Loggers were beaten hardly 79-16.

On January 25th, the Loggers met Oregon State at the Wallace Pool and their frustration continued as the Beavers again won 50-45. John Seremeta tied the Logger record for 100 meter freestyle with a 1:00.7. In the final event the Loggers turned a 4:04.2 for a new standard in the 400 meter free relay. This meet was a double dual meet and the Loggers beat University of Alberta 60-35.

On February 1st, U.P.S. swam Eastern at Cheney. This was the first meet that Byron Stauffer was able to compete in. He made his first meet as a Logger a good one as he set Logger records in the 50 yd. free at 23.8 and 100 free at 52.5. George Sickel also set a record of 2:16.9 for the 200 yd. backstroke. Loggers emerged victorious 68-27.

The U.P.S. mermen took Central at Ellensburg on February 2 with a 66-29 victory. A varsity record was set by John Jewell in the 200 free with a 2:00.1 and by Byron Stauffer in the 100 free with a 52.1. The Logger free relay turned in a fine 3:35.8 for another varsity record.

Against western at Bellingham the Loggers won 52-33 in a low pressure meet that saw the Loggers move their men around.

On February 9th, the Loggers swam Central and won again in a convincing 72-22 meet. In this meet the Loggers also faced Whitworth for the first time and emerged victorious. 78-8. The Logger 400 meter free relay became the first to go under four minutes with a 3:58.2.

The Evergreen Conference Swimming Championships were held on February 22 and 23 at Cheney, Washington. The Loggers were big favorites and came through well. Conference Champs for the Loggers were:

John Jewel -- 200 yd. free -- 2:04.9
500 yd. free -- 5:51.2

Byron Stauffer -- 50 yd. free -- 23.8
100 yd. free -- 52.5

Bill Marcy -- 400 yd. I.M. -- 5:32.9
100 yd. back -- 1:04.9

Gary Dyer -- 100 yd. butterfly -- 2:37.8

Bob Harper -- 200 yd. breaststroke -- 2:37.8

George Sickel -- 200 yd. backstroke -- 2:19.1

Dave Handy -- 1650 yd. free -- 23:32.2

400 yd. free relay -- 3:36.8

400 Yd. medley relay -- 4:10.9

After the fine showing in the Conference meet the Loggers sent four swimmers with Coach Duncan to Bartlesville, Oklahoma for the N.A.I.A. Championships. Swimmers sent were John Jewell, John Seremeta, Rick Perkins and Byron Stauffer.

On the first day all four Logger swimmers qualified for the finals of the 50 yd. freestyle.At the end of the race, the Loggers had their first National Champion in Byron Stauffer who turned in an excellent 22.9. The next day John Jewell recorded a super fast 1:55.8 for the 200 yd. free in finishing second in the 200 yd. free. On the last day Byron Stauffer set a varsity record for the 100 at 51:3 to finish third. The Logger free relay swam a very fast 3:27.5 for the 400 yd relay freestyle in finishing second by 1/10 of a second. All of these points helped the small four man Logger team to a third place finish in team standings. The Loggers had capped a fine dual meet season which saw their record ten wins and two losses with a fine N.A.I.A. finish.

1963 - 1964 Dual Meet Record

January 10 -- U.P.S. 53 -- U.B.C. 41

U.P.S. 79 -- Eastern 16

January 11 -- U.P.S. 58 -- Central 36

January 31 -- U.P.S. 24 -- University of Oregon 71

February 1 -- U.P.S. 40 -- Oregon State 54

February 7 -- U.P.S. 68 -- Whitworth 13

February 8 -- U.P.S. 35 -- U.S.U. 60

February 14 -- U.P.S. 63 -- Western 32

February 15 -- U.P.S. 63 -- Western 32

February 15 -- U.P.S. 86 -- Whitworth 7

February 21 -- U.P.S. 73 -- Western 21

February 22 -- U.P.S. -- U.B.C. 44

The 1963 - 1964 season began for U.P.S. with sixteen swimmers answering the call for the start of the season.

U.P.S. was attempting to capture its fifth consecutive league championship. Returning from the U.P.S. team which placed third in the N.A.I.A. Championships was Byron Stauffer (22.9 - 51.3), John Jewell (600 - 1:55.8), and conference champs Bill March (backstroke), Gary Dyer (butterfly), Bob Harper (breaststroke) and Dave Handy (1650).

Central Washington figured to be much tougher with the addition of Freshmen Gerry Malella, Jeff Tinius and Jack Ridley.

For its first taste of competition during the year, the Loggers travelled to Vancouver, B.C. for the Thunderbird Relays at the Percy Norman Memorial Pool. The meet was held on December 1st.

During the previous years N.A.I.A. Championships, Coach Duncan had noticed a team that went through the entire meet sustaining themselves on Nutrament. So the Loggers tried it too. The Loggers finished fifth in the 400 mt. med. relay at 4:39.7, third in the 200 mt. med. relay at 2:01; second in the 200 mt. free relay at 1:45.7 and second in the 400 mt. free. relay at 4:01.3. Thus, U.P.S. finished sixth in mens competition.

The next meet for the Loggers was the Santa Claus Meet at U.P.S. on December 14th. Notable swims for the Loggers were: Doug Hanna -- 200 mt. I.M. -- 2:31.5 a varsity record
100 mt. free -- 59.3 -- second

Byron Stauffer -- 50 mt. free -- 26.6 -- third
100 mt. free -- 58.6 -- first

John Jewell -- 200 mt. free -- 2:14.0 -- third

Bob Harper -- 100 mt. breast -- 1:16.8 -- second

400 mt. free relay -- 4:03.5 -- first

400 mt. med. relay -- 4:44.0 -- third

U.P.S. ended up in first place with a point total of 66 followed by Wilsons 58 and Cascades 55.

The first triangular meet of the season for the Loggers was held on January 10th when the Loggers hosted Eastern Washington, the ever tough U.B.C. Thunderbirds.

U.P.S. had little trouble with Eastern as they thrashed them 70 - 16. It was a different story with U.B.C. as the tenacious Thunderbirds hung on until the last relay. The Loggers managed to pull it out and won 53-41. Logger notables in this meet were:

John Jewell -- 200 mt. free -- 2:14.0 -- tied varsity record

Doug Hanna -- 200 Mt. I.M. -- 2:29.4 -- a varsity record

Byron Stauffer -- 50 mt. free -- 25.8 -- tied varsity record

100 mt. free -- 57.3 -- a varsity record

Next came a real pressure meet for the Loggers. They travelled on January 11th to Central Washington for a meet with the new revamped Wildcats. The Loggers had a long string of 32 consecutive wins in Evergreen Conference Dual Meets on the line.

Central jumped off to a lead after the first event but the seasoned Loggers never panicked and when it was over they had come out on top 58-36. The score looks like the Loggers had a fairly easy time of it; in truth they knew they had been in a good fight and expected Central to be heard from in the next few years.

The only varsity record for U.P.S. was a 2:16.2 for Doug Hanna in the 200 yd. I.M.

The Pacific Northwest Senior A.A.U. Championships were next for the Loggers at the University of Washington pool on January 25th.

Some good times were turned in against the stiff competition and the Loggers finished second to the University of Washington.

Varsity records were set by Bill Marcy in the 100 yd. back at 1:02.9 and by Bob Harper in the 200 yd. breast at 2:31.6. The varsity record for the 400 yd. medley relay was broken to be reset at 4:01.9.

Next, some tough competition against major college teams University of Oregon and Oregon State.

The meet against University of Oregon was held on January 31 where the Loggers were soundly defeated 71-24. The only winner for U.P.S. was Byron Stauffer in the 100 free.

On February 1st, U.P.S. met Oregon State in their strange 33 1/3 yd. pool and were beaten 54-40 by the Beavers.

On February 7th, U.P.S. travelled to Cheney, Washington for a meet with the undermanned Whitworth college team. The final score was 68-13 for the Loggers. Whitworth was hit hard by poor grades and sickness leaving them with only four men. A varsity record was set by Doug Hanna in the 200 yd. butterfly at 2:30.0 despite kicking the last three lengths using the whip kick. Needless to say, Doug was glad he was not considered a 200 Butterfly man.

February 8th saw the Loggers going against Washington State University. The Loggers had defeated the Cougars the previous year and State was out for revenge. Revenge was sweet as the Cougars sunk U.P.S. 60-35.

On February 14th, U.P.S. met Western Washington State and came out on the long end of a 63-32 score. The Loggers scrambled their lineup and gave swimmers a chance to swim events they seldom swam.

February 15th, the next day, found the Loggers in another pressure meet against Central Washington and Whitworth. U.P.S. smashed the hapless Whitworth squad 86-7, but had a much tougher go against Central. For the first time in many years U.P.S. was forced to win the last relay against an Evergreen Conference team to win the meet. The final score was 55-40 for the Loggers.

John Jewell set a varsity record for the 200 mt. free at 2:13.7 as did Doug Hanna in the 200 mt. I.M. at 2:28.8. Byron Stauffer also set a varsity record at 57.2 in the 100 mt. freestyle. The Loggers met Western Washington on February 21st and defeated the Vikings 73-21. Doug Hanna set a varsity record of 2:12.9 for the 200 mt. free and the U.P.S. 400 free relay team set a pool record of 3:55.6.

U.B.C. was next for U.P.S. on February 22 at Vancouver. The Logger medley relay team led off with a 4:30.6 time for 400 meters which was a varsity record. This proved the difference as the Loggers went down to the last relay in a 44-44 tie but pulled out to win 51-44. The Loggers were weakened by sickness when John Jewell caught the flu and did not come up with his usual solid performance.

This brought the Loggers to the Evergreen Conference Swimming Championships at Ellensburg on February 28-29. Things looked very tough for the Loggers when Central finished one, two, three in the first event-the 500 free. The Wildcats also finished one, four, five, six in the next event the 400 I.M. At this point the Loggers knew they had to get in the ball game or it would be over. They came back in the 50 free to finish one, two, five, and six. The Loggers also scored big in the 200 free and 200 breast and at the end of the first day the score read: U.P.S. -- 88
Central -- 75
Western -- 31
Eastern -- 16
Whitworth -- 8

The next day U.P.S. continued to pull away and the final score for the meet was: U.P.S. -- 170
Central -- 36
Western -- 60
Eastern -- 31
Whitworth -- 17

Outstanding swims were recorded by:
Byron Stauffer -- 50 free -- 22.8 -- conference record
100 free -- 50.4 -- conference and varsity record

John Jewell -- 200 free -- 1:57.6 -- conference record

Doug Hanna -- 400 I.M. -- 5:04.3 -- varsity record

Gary Dyer -- 200 fly -- 2:26.1 -- varsity record

Bill Marcy -- 100 back -- 1:02.5 -- varsity record

Bob Harper -- 100 breast -- 1:06.7 -- varsity record

Gary Dyer -- 100 fly -- 1:01.4 -- varsity record

Hanna, Hurst, Jewell, Stauffer -- 400 free relay -- 3:27.2 -- conference and varsity records

Through their efforts in this meet, several of the Loggers earned a trip to the N.A.I.A. National Swimming and Diving Championships held at Hamline University in St. Paul, Minnesota, March 19-21. Loggers making the trip with Coach Duncan were : John Jewell
Rich Hurst
Byron Stauffer
Doug Hanna
Bob Harper

During the three day train trip to St. Paul, John Jewell did his famous "getting powerfull" routine. The only time John would be seen outside his room was to stick his hand out the door when Coach Duncan came by with his supply of wheat germ and vitamine C.

The first day saw the Loggers in the finals of the 50 yd free and the 400 yd. medley relay. Byron Stauffer and John Jewell qualified for the 50 as expected but the big surprise for the Loggers came when Rich Hurst qualified in the number six position. Also in qualifing John Jewell set a national record of 22:.7.7. Rich had been seeded number 37 and in the heats swam an inspired race to clock a 23.0; almost a full second better than his best time. In the finals, defending champion Byron Stauffer was not able to defend his title and finished fourth. Rich Hurst finished sixth.

In the 400 yd. medley relay, U.P.S. swam by far its fastest relay and turned a 3:52.7, good enough for fourth place.

The next day saw two Loggers in the finals of the 200 yd. freestyle. John Jewell was second qualifier and Doug Hanna sixth. In the finals Jewell took it out hard and was never caught turning in a superb 1:54.7. Hanna was clocked in 1:58.8, good enough for a fifth place tie.

The final day saw Byron Stauffer lead qualifiers in the 100 free with a 50.0, a varsity record clocking. He said it felt easy and was sure he could break 50 seconds in the final. At the gun in the final he streaked the first 50 in 22.1 seconds which would have been an N.A.I.A. record for that distance. He had a full body length going into the last turn, then, coming off the wall he caught a large mouthful of water and couldn't catch his breath for the whole last lap. As a result he faded and finished a disappointing third in 50.7. This brought the Loggers to the final event of the meet. In the 400 free relay the Loggers took an early lead possibly towards victory. However, Eastern New Mexico had other ideas as their anchor man went a 48+ to catch Stauffer, who himself had turned in a fastest time ever by a U.P.S. swimmer of 49.1. At the end, after much confiring it was called a dead heat and U.P.S. was co-record holders in a 3:23.6.

In the final results U.P.S. finished a very respectable fourth, despite having only sent five men. Waiting in the wings for next year was Central who finished seventh. Would the Loggers be able to keep their Evergreen Conference victory string alive?

Logger season record for dual meets was nine wins and three losses.

1964 - 1965 Dual Meet Record

January 8 -- U.P.S. 63 -- Eastern 27

January 9 -- U.P.S. 36 -- Central 59

January 27 -- U.P.S. 71 -- Gustavus Adolphus 19

January 29 -- U.P.S. 53 -- U.B.C. 42

January 30 -- U.P.S. 27 -- Oregon State 64

February -- U.P.S. -- Eastern 31

U.P.S. 58 -- Whitworth 24

February 6 -- U.P.S. 21 -- W.S.U. 73

February 12 -- U.P.S. 55 -- Western 42

February 13 -- U.P.S. 37 -- Central 58

February 13 -- U.P.S. 73 -- Whitworth 17

February 19 -- U.P.S. 63 -- Western 32

February 20 -- U.P.S. 43 -- U.B.C. 52

Coach Duncan started the 1964 - 1965 season with seventeen swimmers. Among those returning was John Jewell, N.A.I.A. record holder and champion in the 200 freestyle (1:54.7). Doug Hanna, fifth place in the 200 freestyle N.A.I.A. (1:54.5). Bob Harper, breast stroker on U.P.S. Medley Relay, fourth N.A.I.A. Also point getters Bill March, backstroke; Bill Sievers, breaststroke; Al Nordell and Gary Dyer, Butterfly. The most promising freshman was Dan Pender from Wilson High School.

First informal competition for the Loggers came on November 18th during the intra-squad meet with "Dyer's Deadheads" doing battle against "March's Monsters". After a nip and tuck battle "Dyer's Deadheads" emerged victorious with a last relay victory and ended up on the long end of a 45-41 score.

First offical competition for the Loggers took place on November 29 when U.P.S. travelled to Vancouver for the Thunderbird Relays. In this meet the Logger team did the following:
400 mt. medley relay -- 4:34.6 -- fifth
400 mt free relay -- 4:03.5 -- third
200 mt medley relay -- 4:03.5 -- second
200 mt free relay -- 1:46.1 -- first

Next came the Santa Claus meet at U.P.S. on December 12. Notable times for the Loggers were:

John Jewell -- 50 mt freestyle -- 25.8 -- ties varsity record

Bob Harper -- 100 mt breast -- 1:16.1 -- second

For their first dual meet of the season the Loggers met Eastern Washington at U.P.S. on January 8th. In a low pressure meet, U.P.S. won by a 63-27 score. Al Nordel broke the varsity record for 200 mt. fly with a time of 2:49.6. It was noticable in this meet that U.P.S. had no diver which would prove very serious problem in future meets.

On January 9th the Loggers met Central Washington in one of the most important meets of the year. As the Loggers now had a string of thirty-nine straight dual meets against Evergreen Conference opponents to protect. The meet was held at Central and one of the biggest crowds to ever see a meet at Central was there. They sensed a Wildcat victory and wanted to be there to see the Loggers string come to an end. In the first event, the 400 medley relay, Central got off to a 7-0 lead with a 3:59.4 clocking. The Loggers came back with a one - two finish in the 200 when John Jewell touched out teammate Doug Hanna. Both were timed in 1:58.1. That tied the score at 8-8. That was to be the closest the Loggers were to get as Central ended up winning nine of eleven events

Ocean Duncan shocked the 1960 - 1965 season with seven-teen swimmers. Among those returning was John Terrell M.A.A.A. record holder and champion in the 200 freestyle (1:54.9). Doug Hamre, fifth place in the 200 freestyle M.A.A.A. (1:54.5). Bob Harper, breast stroker on U.P.S. relay, four-h T.A.A. Also point getter is Bill Morton, backstroke; bill Stevens, breaststroke; Al Worrell and Jerry Dyer, Butterfly. The most promising freshmen was Dan Lanner from Wilson High School.

First informal competition for the Loggers came on Nov-ember 18th during the Inter-squad meet with "Dyer's Dead-heads" doing battle against "Heron's Monsters". After a dip and buck battle "Dyer's Deadheads" emerged victorious with a last relay victory and ended up on the long end of a 53-43 score.

First official competition for the Loggers took place on November 29 when U.P.S. traveled to Vancouver for the Thunderbird Relays. In this meet the Loggers did the following: 400 mt. medley relay -- 4:36.6 -- fifth
400 mt free relay -- 4:05.5 -- third
200 mt medley relay -- 4:05.5 -- second
200 mt free relay -- 1:46.1 -- first

Next come the Santa Claus meet at U.P.S. on December 12. Notable times for the loggers were:

John Terrell -- 50 mt freestyle -- 25.6 -- Also varsity record

Bob Harper -- 100 mt breast -- 1:20.1 -- second

For their first dual meet of the season the Loggers met Western Washington at U.P.S. on January 5th. In a hot pre-season meet, U.P.S. won by a 63-27 score. Al Worrel broke the varsity record for 200 mt. IM with a time of 2:40.5. It was noticeable in this meet that U.P.S. had no diving which could prove very serious problem in future meets.

On January 9th the Loggers met Central Washington in one of the most important meets of the year. As the Loggers now had a string of thirty-nine straight dual meets against Even-green Conference opponents to protect. The meet was held at Central and one of the biggest crowds to ever see a meet at Central was there. They aroused a wildest victory and wanted to be there to see the Loggers string come to an end. In the first event, the 400 medley relay, Central got off to a 7-0 lead with a 3:59.4 clocking. The Loggers came back with a one - two finish in the 200 when John Terrell touched out team-mate Doug Hamre. Both were timed in 1:52.1. That tied the score at 8-8. What was to be the closest the Loggers were to get as Cenrr I ended up winning nine of eleven events

including one - two finishes in the 200 I.M., diving and in the 500 freestyle. The Loggers salvaged some pride by winning the final relay, but the ending score read 59-36 in Central's favor. The streak had finally ended and it looked like the beginning of a new dynasty.

On January 25th the U.P.S. team travelled to Seattle for the Pacific Northwest Association Invitational Open and Age Group Swimming and Diving hampionships. The competition at this meet is always tough and this year proved to be no exception. Place winners for U.P.S. were:

400 medley relay -- 4:00.2 -- fourth
John Jewell -- 100 free -- 52.3 -- tie for fourth
Bill Sievers -- 200 breast -- 2:32.5 -- fifth
400 free relay -- 3:31.3 -- second

On January 27th U.P.S. hosted a team from Minnesota. Gustavis Adolpus University was on a month long swimming tour and had scheduled U.P.S. Not much was known about this team until Coach Duncan got in touch with the Western Washington Coach to find out they were a pretty poor team. In this meet the Loggers mixed their swimmers up in dif- events that they normally did not swim. The final score was 71-19.for the Loggers. John Jewell set a varsity record of 25.7 for the 50 mt. freestyle.

The Loggers met arch rival U.P.C. on January 29th at Tacoma. This was to be the first meet for Freshman Lyndon Meredith, backstroker, of U.P.S. who had been sidelined by mononucleousis for the first semester. In his first var- sity race he responded with a fine 2.29 for 200 meters back and a varsity record. As in past meetings the meet went down to the last relay with U.P.S. winning and emerging vic- torious by the score of 53-42. John Jewell set a varsity record in the 200 mt. free with a time of 2:11.7. Also, Al Nordel set a record in the 200 mt. fly with a time of 2:44.1.

The Loggers met major college team Oregon State on Jan- uary 30th at U.P.S. Once again the Beavers proved too strong for the Loggers as they won 67-27. Some good times were swum by the Loggers as four varsity records were set:

400 Mt. medley relay -- 4:28.8
John Jewell -- 200 mt. freestyle -- 2:11.5
Lyndon Meredith -- 200 mt. backstroke -- 2:27.9
Bob Harper -- 200 mt. breaststroke -- 2:46.6

On February 5th, the Loggers had their only double dual meet of the season against Eastern and Whitworth at Cheney. In the meet, U.P.S. beat Whitworth 58-24 and Eastern 58-31.

Once again the Loggers were able to rest some swimmers and switch other swimmers around for this meet.

The intention had been to rest up some swimmers for the Logger's meet the next day with Washington State. It did not seem to have much effect however, as the Loggers came out on the short end of a 73-21 score. Lyndon Meredith continued his assault on the U.P.S. backstroke records as he went a fine 2:12.9 for 200 yds.

On February 12th the Loggers took on the Vikings of Western Washington at Bellingham. For the first time in quite a while the Loggers lost both relays to the Vikings, yet still managed a 55-42 victory. Al Nordell set a Varsity Record of 2:25.3 for the 200 yd. butterfly.

On February 13, U.P.S. had a rematch with Central at Tacoma. The Loggers vowed things would be different with the addition of their fine freshman backstroker Lyndon Meredith. In the first event the Loggers broke their 400 mt. medley relay record by more than seven seconds and recorded a 4:20.7. In the next event Central scored a one-two sweep in the 200 free and this put the Loggers behind 15-1. The Loggers were unable to recover as the final score was 58-37 for Central. Al Nordel set a new varsity record of 2:40.9 for the 200 mt butterfly and Bob Harper set a new record in the 200 mt. breast at 2:45.7.

In their final meet before the Evergreen Conference Championships the Loggers met Western for the second time on February 19 at Tacoma. The final score was 63-32 in favor of the Loggers. Dan Pender and Bob Harper showed good drops in freestyle times with each coming close to breaking a minute for 100 mt. free.

This brought U.P.S. to the Evergreen Conference Swimming Championships held on February 26-27 at U.P.S. For the first time in many years the Loggers were not favorites as that role had been taken over by Central. Central was heard to say that they planned on winning by as much as sixty points.

At the end of the first day, Central held an 88-73 lead and it looked as if the meet would be a little closer than Central had expected. U.P.S. got victorius from Doug Hanna in the 400 yd. ind. med at 4:42.8 (varsity record), Al Nordel in the 200 yd. butterfly at 2:19.4 (varsity record); and John Jewell in the 50 free at 23.4.

On the second day the Loggers battled the Wildcats well on even terms but could not catch them as Central won its first Evergreen Conference Title outlasting the Loggers

Once again the loggers were able to rest some swimmers and switch other swimmers around for this meet.

The intention had been to rest up some swimmers for the Invaders's meet the next day with Washington State. It did not seem to have much effect however, as the loggers came out on the short end of a 75-51 score. Lyndon Hereditn continued his assault on the U.S.S. backstroke records as he won a fine 2:12.9 for 200 yds.

On February 12th the loggers took on the Vikings of Western Washington at Bellingham. For the first time in quite a while the loggers lost both relays to the Vikings, yet still managed a 55-42 victory. Al Mordell set a Varsity Record of 2:25.3 for the 200 yd. butterfly.

On February 13, U.S.S. had a rematch with Central at Tacoma. The loggers vowed things would be different with the addition of their fine freshman backstroker Lyndon Hereditn. In the first event the loggers broke their 400 met. medley relay record by more than seven seconds and recorded a 5:20.7. In the next event Central scored a one-two sweep in the 200 free and this put the loggers leading 15-1. The loggers were unable to recover as the final score was 58-37 for Central. Al Mordell set a new varsity record of 2:40.9 for the 200 ft butterfly and Bob Harper set a new record in the 200 ft. breast at 2:45.7.

In their final meet before the Evergreen Conference Championships the loggers met Western for the second time on February 19 at Tacoma. The final score was 63-32 in favor of the loggers. Dan Bender and Bob Harper showed good drops in freestyle times with each coming close to breaking a minute for 100 ft. free.

This brought U.P.S. to the Evergreen conference Swimming Championships held on February 26-27 at U.P.S. For the first time in many years the loggers were not favorites as that role had been taken over by Central. Central was bound to say that they planned on winning by as much as sixty points.

At the end of the first day, Central held an 18-13 lead and it looked as if the meet would be a little closer than Centralized expected. U.P.S. got victories from Doug Hanna in the 400 yd. ind. med at 4:42.3 (varsity record), Al Mordel in the 200 yd. butterfly at 2:19.4 (varsity record); and John Jewell in the 50 free at 23.4.

On the second day the loggers trailed the Wildcats well on even terms but could not obtain them as Central won the first Evergreen Conference title outlasting the loggers

160-141. They could be proud however, that they did not role over and play dead. There were some very insipiring swims by a number of the Loggers. John Jewell out touching Jack Ridley of Central in both the 100 and 50 freestyle. Bill Marcy's near upset of Gerry Malella in the 100 back and many others. U.P.S. varsity records set on the last day were:

Doug Hanna -- 200 I.M. -- 2:12.9

John Strain -- 1650 free -- 21:05.9

Bill Sievers -- 100 breast -- 1:05.9

Lyndon Meredith -- 100 back -- 1:00

Al Nordell -- 100 fly -- 59.9

The N.A.I.A. Championships were held at La Crosse, Wisconson. U.P.S. sent Lyndon Meredith, Bob Harper, John Jewell, Doug Hanna and Dan Pender.

John Jewell made the finals of the 50 free but in a blanket finish was picked for fifth. Then there was some doubt after viewing films of the race taken by Mrs. Mallela, mother of Gerry Mallela of Central. The films showed John to be fourth quite clearly.

Freshman Lyndon Meredith came through with two fine swims. In the 100 yd. backstroke he finished second with a 57.4. He also earned a second in the 200 yd. backstroke with a 2:09.2. Both of these times were varsity records and earned him first team All American honors.

Bob Harper also set a varsity record of 2:26.1 for the 200 yd. breaststroke in finishing sixth. In the 400 yd. medley relay the Logger team of Meredith, Harper, Hanna and Jewell established a varsity record of 3:50.8 in finishing second. The 400 yd. free relay finished third in that event.

Varsity Swimming

1965 - 1966 Dual Meet Record

January 7 -- U.P.S. 69 -- Eastern 26

U.P.S. 49 -- U.B.C. 46

January 8 -- U.P.S. 31 -- Central 64

January 11 -- U.P.S. 59 -- P.L.U. 36

January 29 -- U.P.S. 56½ -- Eastern 38½

U.P.S. 65 -- Whitworth 25

February 4 -- U.P.S. 32 -- Oregon State 66

February 5 -- U.P.S. 67 -- Willamette 28

February 11 -- U.P.S. 52 -- Western 43

February 12 -- U.P.S. 38 -- Central 57

February 18 -- U.P.S. 50 -- U.B.C. 44

February 18 -- U.P.S. 69 -- Simon Fraser 26

February 19 -- U.P.S. 58 -- Western 36

U.P.S. 65 -- P.L.U. 29

U.P.S. 66 -- Lewis and Clark 29

The 1965 - 1966 season started the Loggers out with three returning All-Americans. Lyndon Meredith,first team All-American backstroker, Doug Hanna, second team All- American in medley relay and Dan Pender second team All-American in the medley relay. Also returning was varsity record holder Al Nordel in butterfly, but Nordel would only be with the team until the end of January as he was going to Europe second semester. Breaststroker Bill Sievers was attempting to fill the gap left when varsity record holder Bob Harper decided to sit out his final year of elegibility to improve his grades. Most promising freshmen were Rich Taylor, a free-styler from California, Doug Ewen backstroke and I.M. from Oregon and Tod Rolfe in the I.M. from Seattle.

The first competition for the Loggers was to have been the Thunderbird Relays but due to sickness on the U.P.S. team it was decided to fore go this meet.

The Intrasquad meet gave Coach Duncan an opportunity to look at his team. In this meet Al Nordel's "Zots"trounced Bill Marcy's "Clods" 52-34.

This brought the Loggers to the Santa Claus meet which was held at U.P.S. on December 11th. Some of the younger Loggers got their first "Baptismol of Fire" and blew a few turns, etc. The only varsity recordset was by Logger Doug Hanna in the 100 mt. fly at 1:05.4. The Loggers finished third inpoint competition behind Wilson and Cascade.

First dual meet of the season was a double dual against Eastern and ever tough U.B.C. on January 7th. This meet was to be no different than other U.B.C. - U.P.S. confrontations and this time the Loggers had to really pull one out. They trailed almost the entire way until it became necessary for the Loggers to finish one-two in the second to last event, the 200 breaststroke to have a chance going into the last relay. U.P.S.'s number two breaststroker, Don MacMillan, swam an inspired race and finished second , less than a second ahead of the fast closing U.B.C. swimmer. The Loggers then won the last relay and won the meet 49-46. In the other half of the meet, the Loggers beat Eastern 69-26.

The next day January 8th, the Loggers had another tough assignment which was to travel to Central Washington and do battle with the powerhouse Wildcats. Central picked up where it left off last year and hammered the Loggers 64-31. Central was biulding a dynasty and it was beginning to look as if it would be a long time until the next Logger victory against the "Cats".

U.P.S.'s next meet on January 11th was a first even meet between U.P.S. and P.L.U. Lewis and Clark was also in this meet. P.L.U. showed quite well in this meet for a new team but the Loggers won 59-36 and trounced Lewis and Clark 66-29.

After a two week layoff during closed period for exams, U.P.S. travelled to Eastern for a double dual meet with Eastern and Whitworth on January 29th. On the way to Cheney, Coach Duncan's car broke down and it took a total of four different cars to get swimmers in that car to Cheney. They arrived in Spokane about 2 A.M. amid calls from the other swimmers on the team such as "What happened coach? Did the peddles on your car break?"

Eastern had picked up a few more swimmers and promised to be more competative. U.P.S. came out on top 56½-38½. The Loggers beat Whitworth 65-25.

On February 4th the Loggers travelled to Oregon State to do battle with the Beavers. State jumped off to a big 39-13 lead and cruised home with a 63-32 victory.

On February 5th, U.P.S. met Willamette in their 20 yd. pool and came out on top 67-28. This weekend saw freshman Rich Taylor fill a big gap for the Loggers in the distance events. Taylor had been seen during U.P.S. intramural swimming Championships and talked into turning out for the team.

February 11th saw U.P.S. in Bellingham against Western Washington. They had also picked up a few freshmen and the Loggers were forced to win the last relay to emerge victorious 52-43. In a season that had seen few varsity records, two Loggers set two as Rich Taylor broke John Jewell's 500 yd freestyle record by six seconds in 5:41.9 and Doug Hanna broke his own record in the 200 yd. I.M. with a 2:12.4.

It seems as if the Loggers were always coming up with back to back tough meets and it was no exception when the U.P.S. mermen met Central the next day on February 11. U.P.S. put up a better fight but still came out on the short end of a 57-38 score. Rich Taylor continued to improve and lowered his 500 yd. varsity record to 5:39.2.

On February 13, U.P.S. travelled to U.B.C. for a double dual meet against the U.B.C. Thunderbirds and the Simon Fraser Clansmen. The latter was a new team but as they were the only University in Canada to give out athletic scholorships, they had some of Canada's top swimmers. U.P.S. overwellmed the Clansmen 69-26. In the other half of the meet

it was the "down to the last relay" bit as the Loggers pulled it out again and won 50-44. Coach Pomfret of U.B.C. must have had nightmares about the last relay everytime he swam the Loggers.

On Saturday, February 19th, U.P.S. swam its last meet of the season before the Conference Championships. It was a double dual meet against Western and P.L.U. Against Western the Loggers won 58-36 and against P.L.U. the score read 65-29 in favor of the Loggers. This brought U.P.S. to the end of a dual meet season which saw them win twelve and loose three.

This was to be the last Evergreen Conference Championships for the Loggers as they were moving up to N.C.A.A. competition the next year and were going to go as an independent. In the meet the Loggers worked hard but could not overcome the Central depth and came in second 192½-112½. Surprising Eastern with 68, Western 58, and Whitworth 11 rounded out the rest of the scoring. Lyndon Meredith was the only double winner for the Loggers winning the 200 yd. backstroke and setting a conference record in winning the 100 back in 59.0 seconds. Bill Sievers won the 100 breast for U.P.S.

The Loggers sent six swimmers to the N.A.I.A. Swimming and Diving Championships at Hendrix College in Conway, Arkansas, March 17-19. They were:

Lyndon Meredith
Doug Hanna
Dan Pender
Bill Sievers
Rich Taylor
Doug Ewen

In that meet Lyndon Meredith proved to be the Loggers outstanding performer as he dropped his 100 yd. backstroke down to an outstanding 56.7 second to win the N.A.I.A. championship in that event. He also finished a strong second in the 200 yd. back. In addition the Logger medley relay (thanks to a strong leadoff by Meredith) finished second in a varsity record of 3:51.6. Logger 400 yd. freestyle relay was eigth and the 800 yd. freestyle relay was seventh. In addition Bill Sievers finished sixth in the 100 yd. breaststroke in 1:05.9. These finishes helped the Loggers to a nineth place finish.

1966 - 1967 Dual Meet Record

January 6 -- U.P.S. 53 -- U.B.C. 49

January 7 -- U.P.S. 55 -- Western 49

January 10 -- U.P.S. 73 -- P.L.U. 30

January 27 -- U.P.S. 71 -- Sacramento State 29

January 28 -- U.P.S. 57 -- San Francisco State 37

U.P.S. 28 -- Cal. Davis 74

February 3 -- U.P.S. 42 -- Oregon State 62

February 11 -- U.P.S. 44 -- Central 62

U.P.S. 64 -- Willamette 36

February 14 -- U.P.S. 58 -- P.L.U. 45

February 18 -- U.P.S. 63 -- Western 41

U.P.S. 59 -- U.B.C. 45

February 24 -- U.P.S. 48 -- University of Idaho 52

February 25 -- U.P.S. 26 -- W.S.U. 76

March 3 -- U.P.S. 35 -- Simon Fraser 68

U.P.S. opened turnouts for the 1966 - 1967 season with one of the smallest teams that they had ever had. The team consisted of only eleven swimmers and more than half of these were freshmen. Back was U.P.S. record holder and N.A.I.A. champion Lyndon Meredith. Also back were Doug Hanna and Dan Pender second team All American's. However, U.P.S.'s other second team All American Bill Sievers decided to sit out his final year which left the Loggers very weak in breaststroke. Most promising freshman was state high school butterfly champion Jim Fredrickson from Wilson. Also from the state high school championships was Wilson's Jim Dupree.

First meet for the Loggers was a telegraphic meet with Humbolt State from California. When all the times were sent in, it was another of those last relay victories that pulled it out for the Loggers with a 51-44 victory. Freshman sensation Jim Fredrickson blasted a 2:10.5 for the 200 yd. fly to set a new varsity record.

On January 6th, U.P.S. travelled to U.B.C. for a meet with the Thunderbirds. It seems to get redundant but it was another Logger last relay victory over the T.Birds. Final score of the meet was 53-49 in the Loggers favor.

The next day U.P.S. travelled to Bellingham for a meet with Western Washington. Western was pressing as they had acquired a fine freshman in the person of Bill Lingley. U.P.S. barely survived by taking the last relay and winning 55-49. In the space of four days the Loggers had thusley won three swim meets all on the strength of last relay victories.

The Loggers needed a breather but according to P.L.U.'s coach Rich Auseth, they were not going to get one against his team. He had it figured that his team could beat the Loggers in their meet on January 11th. This got U.P.S. a little stirred up and as a result the Loggers smashed the hapless Lutes 73-30. Logger freshman Jim Dupree set two varsity records. Jim swam 11:46.3 for the new 1000 yd. free and 5:38.4 for the 500 free. Butterflyer Jim Fredrickson also lowered his 200 yd. fly record to a 2:08.9.

Next for the Loggers came the first of what was to become an annual trip to the San Francisco area. The trip was very eventful for the Loggers who won two out of three meets against the strong California teams. It also had some amusing moments, such as when Jim Dupree opened what he thought was a closet door in his hotel room. As it turned out, it was an adjoining door on some newlyweds.

The first meet for the Loggers was against Sacramento State on January 26th. State did not offer much challenge as the Loggers swamped them 71-29. Jim Dupree lowered his 1000 yd. free record to 11:44.2.

On January 28th the Loggers met San Francisco State College and University of California at Davis. Against San Francisco State the Loggers triumphed 57-37. Against the depth layden Aggies they were swamped 74-28. The meet was held in an outdoor pool in the middle of a driving rainstorm. U.P.S. times were not good at this meet.

Back home again the Loggers hosted Oregon State on February 3rd. U.P.S. had never beaten the Beavers and it was not to be this time either as the Beavers triumphed 62-42. Jim Dupree lowered his varsity record in the 1000 to 11:35.7 and the 500 free to 5:35.9.

On February 11th U.P.S. was host to Central and Willamette. Central still seemed to have U.P.S.'s number and for the fifth straight dual meet they triumphed over the Loggers by a 60-44 score. Against Willamette, the Loggers persisted with a 64-36 victory.

February 14th saw the Loggers at P.L.U. for a meet with the Lutes. The Loggers were not as sharp as they were during their last meet with the Lutes and only managed a 58-45 victory.

U.P.S. next hosted U.B.C. and Western Washington on February 18th against U.B.C. The Loggers finally won one without having to go to the last relay. U.B.C. had lost a few swimmers with bad grades and the Loggers triumphed 59-45. The Loggers also came out victorious over Western by a score of 63-41.

On February 24th the Loggers swam one of their most disappointing meets in their swimming history. They travelled to Moscow, Idaho to meet the University of Idaho which had not won a meet all year. The Loggers figured this to be a laugher, and swam in different events than they normally did. Not paying too much attention they noticed that if Idaho won the last relay they would win the meet. Coach Duncan realized that he only had three freestyle swimmers that had not swam all of their races and one backstroker. He had his first three freestylers go first and try to biuld up a lead in hopes that the backstroker (who would swim freestyle) could hold on. However, after leading for three legs the Idaho anchor caught the U.P.S. anchor giving Idaho their first victory of the year. Though disappointed the Loggers

learned never to hold an opponent in to light of a regard. Final score--Idaho 52 Loggers 48.

The next day the demoralized Loggers were thrashed 76-26 by the Washington State Cougars. The Loggers won only three events in this meet.

In their last home meet of the season the Loggers hosted the suddenly powerfull Simon Fraser Clansmen and fell to them 68-35. Simon Fraser had done a fantastic job of recruting in the past year and suddenly were on a level with Central Washington as one of the real Northwest Powers.

The Loggers were now an N.C.A.A. College Division team and as the qualifying times were tougher they were not able to qualify any relay teams. Lyndon Meredith and Jim Fredrickson made the times in their individual events and did made the trip. At the meet at City of Commerce, California Fredrickson placed seventh in the 200 yd. fly with a new varsity record of 2:04.1. Meredith placed eigth in the 100 yd. backstroke at 58.3 and set a new varsity record of 2:07.6 in the 200 yd. backstroke to finish seventh.

This ended the season for the now Independant N.C.A.A. Loggers. Their final dual meet record was ten wins and six losses which was not bad for an eleven man team.

1967 - 1968 Dual Meet Record

January 6 -- U.P.S. 73 -- Western 31

January 9 -- U.P.S. 81 -- P.L.U. 31

January 12 -- U.P.S. 84 -- Portland State 28

January 20 -- U.P.S. 72 -- U.B.C. 41

February 2 -- U.P.S. 67 -- San Francisco State 45

U.P.S. 44 -- Cal. Davis 67

February 3 -- U.P.S. 86 -- Fresno 79 -- Cal State 24

February 9 -- U.P.S. 49 -- Oregon State 64

U.P.S. 57 -- University of Pacific 56

February 10 -- U.P.S. 77 -- Linfield 13

U.P.S. 80 -- Willamette 33

February 16 -- U.P.S. 39 -- Central 74

U.P.S. 69 -- Gonzaga 44

February 17 -- U.P.S. 68 -- University of Idaho 35

February 20 -- U.P.S. 88 -- P.L.U.25

February 23 -- U.P.S. 72 -- U.B.C. 41

February 24 -- U.P.S. 29 -- Simon Fraser 84

The 1967 - 1968 season began for the Loggers with a large group of experienced freshmen. This group of swimmers was to form the nucleus of some of the Loggers most powerful teams ever for the next four years. From Wilson High School came breaststrokers Ron Payne, Jim Otness and Dave Voss a freestyler. Other outstanding prospects were sprinters Bill Martin (Yakima) and Pete Hamilton (Colorado). Also Steve Kimberly in sprints and the I.M. from Oregon. U.P.S. also had two solid divers in the persons of Pete Snyder (California) and Bob Knudsen (Hoquim).

Big point getters back from the varsity team were Lyndon Meridith (backstroke) and Jim Fredrickson (fly) who had competed for the Loggers in last years Nationals. Also returning was varsity record holder in the 500 free and 1000 free was Jim Dupree.

For the first time in Logger history a U.P.S. freshman team met Highline Community College. In this meet the Logger frosh won 69-31 in their new eight lane pool.

Also for the first time, the Loggers decided to forego the Thunderbird Relays in Vancouver, B.C. and attend the Central Relays at Ellensburg on December 2nd. In this meet the Loggers showed power but were edged by Central 129 points to 112.

Next for the Loggers came the U.P.S. Santa Claus meet. In this meet freshman Pete Hamilton was the lane winner for the Loggers with a 26.0 second time in the 50 meter freestyle. In this meet the Loggers finished second 64 points to the Seattle Tritons 100.

The first dual meet of the season came on January 6th when U.P.S. hosted Western Washington. Loggers recorded some very good early season dual meet times breaking several dual meet records in smashing Western 73-31. Dual meet records for the Loggers were medley relay 3:53.6; Dave Voss in the 200 free at 1:55.9; Pete Hamilton in the 100 free at 51.0;; Lyndon Meredith in the 200 back at 2:08.1; and Ron Payne in the 200 breaststroke at 2:28.2.

On January 9th the Loggers met P.L.U. in the Lutes pool. U.P.S. made it look easy as they triumphed 81-31. Pete Snyder showed the new U.P.S. diving strength when he set a U.P.S. varsity dual meet record in the three meter diving with 217.80 points.

For the first time U.P.S. met a team from Portland State at Tacoma on January 12th. In this meet freestyler

Jim Dupree and diver Pete Snyder won two events apiece as the Loggers walked over Portland State 84-28.

On January 20th U.P.S. did battle with arch rival U.B.C. Puget Sound accounted for three pool records. Freshman Dave Voss was clocked at 1:55.7 for the 200 yd. freestyle, yearling Pete Hamilton got a 22.9 in the 50 free, and the Logger medley relay clocked a 3:52. Final score in the meet was 72-41 in favor of the Loggers.

Following a two week layoff for exams the Loggers made their second trip to the San Francisco area. On February 2nd, the Loggers met San Francisco State and the University of California At Davis. Loggers defeated San Francisco State 67-45 but lost their first meet of the season to Cal. Davis by 67-44.

On the second day, February 3rd, the Loggers met Fresno State and Cal. State at Hayward. After a tough fight the Loggers triumphed 86 to 79 for Fresno and a 24 for Cal. State Hayward. Avarsity record was set by Dave Voss in the 500 freestyle with a 5:30.4. Dual meet records were set by Voss in the 200 yd. free at 1:55.5; by Pete Hamilton in the 100 free at 50.8; and by Ron Payne in the 200 yd. breaststroke at 2:26.3.

Back in the Northwest the Logger freshmen met Highline for the second time and triumphed 65-38.

On February 9th U.P.S. travelled to Corvalis for a double dual meet against Oregon State and University of the Pacific. The Loggers edged U. of Pacific 57-56 on the strength of one, two sweeps of the one and three meter diving by Bob Knudson and Pete Snyder. In the competition with Oregon State the Loggers jumped out to a 15-1 lead before the surprised Beavers came stroming back to take a 33-19 lead four events later. The final score read 64-49 for the Beavers.

On February 10th the Loggers met Linfield and Willamette in another double dual meets U.P.S. juggled their lineup but easily won by scores of 68-34 over Willamette and 77-13 over Linfield.

Next the Loggers travelled to Ellensburg to try and defeat the powerful Central team that had been victorious over the Loggers the last six times they had met. The meet was held on February 16. In this meet Central claimed the unoffical Northwest Small College Swim Chamionship with a 74-39 victory over the Loggers. Dave Voss established U.P.S. records in the 200 yd free at 1:53.1 and in the 500 yd. free

at 5:26.3. In the other half of the dual meet the Loggers Triumphed over The Big Sky Conference co-favorites Gonzaza University 69-44.

The Loggers next meet was a televised meet against the University of Idaho Vandels. This meet was held on February 17th and was to be a grudge match against the Vandels who had defeated the Loggers last year when the Loggers had shuffled swimmers around. For the Loggers, Pete Hamilton set a pool record of 1:54.4 for the 200 yd. freestyle. Doug Ewen tied the 200 I.M. record with a 2:12.4. Dave Voss broke the school record for the 500 yd. freestyle with a 5:19.4 which was several seconds faster than his time against Central the night before. Bob Knudson also set a school record in the three meter diving with 231 points. Final score for the Loggers was 65-38.

For the Loggers last home dual meet of the season they took on P.L.U. on February 20th. The Loggers won their sixth straight meet from the Lutes with an 88-25 pasting of the Lutes. Steve Kimberly tied the U.P.S. varsity record for the 200 yd. I.M. with a 2:12.4 clocking. The U.P.S. 400 freestyle relay team set a pool record of 3:26.5.

On February 21th the Loggers held a special time trial to try and qualify an 800 yd. freestyle relay team for nationals. The Logger quartet of Kimberly, Martin, Hamilton and Voss turned a new varsity record in at 7:38.7. This broke the old varsity record by almost twenty seconds.

On February 23rd, U.P.S. travelled to U.B.C. to face the Thunderbirds. U.P.S. triumphed 72-41.

The next day on February 24th, the Loggers met a very powerful Simon Fraser team and were thumped 84-29. Despite the high score against the Loggers some good times were recorded. Two U.P.S. records fell and another was tied. Steve Kimberly and Dave Voss were clocked at 2:07.8 for the 200 meter freestyle and the U.P.S. 400 meter freestyle relay team turned a 3:53.2 for another Logger record. Pete Hamilton went 25.8 seconds for the 50 meter free to tie the Logger record for that event.

On March 15, 16, and 17, U.P.S. sent a small sequal of swimmers to compete in the 1968 Indoor Regional Swimming Championships at Highline Community College. Doug Ewen set a varsity record for the 100 yd. fly with a time of 56.4.

Coach Duncan was accompanied to the N.C.A.A. College Division meet March 20, 21, 22, at Emory University, Atlanta, Georgia by six swimmers. They were: Lyndon Meredith, Steve

Kimberly, Bill Martin, Dave Voss, Pete Hamilton and Hon Payne. In this meet the Loggers broke school records in the 800 freestyle relay at 7:35.64, the 400 freestyle relay at 3:20.45 and in the 400 medley relay at 3:48.8. Despite these records however, U.P.S. failed to pick up any points in the championships.

The Loggers ended their dual meet season with fourteen wins and four losses.

February 14 -- U.P.S. 73 -- Eastern 39

February 15 -- U.P.S. 45 -- Oregon State 68

February 18 -- U.P.S. 72 -- P.L.U. 41

February 22 -- U.P.S. 41 -- Simon Fraser 72

March 1 -- U.P.S. 81 -- Portland State 31

Coach Duncan began the year with another big group of Freshmen. Outstanding prospects were Kim Lathrop a butterflyer from Bethesda, Maryland and Gary Benson a backstroker from Wilson High School. The entire 400 and 800 yd. freestyle teams that set varsity records was returning in the persons of Dave Voss, Pete Hamilton, Steve Kimberly and Bill Martin. Also back was Ron Payne varsity record holder in breaststroke.

First competition for the Loggers came on December 7th during the Central Relays. U.P.S. had some good early season times but finished third with 87 points behind Central with 118 and Washington State with 93.

On December 14th the Loggers participated in the Santa Claus meet at U.P.S. It was held in yards for the first time as the Loggers had put up their bulkhead early thisyear. Quite a few personal best times were recorded by the Loggers. Ron Payne set a new varsity record in the 100 yd. breaststroke with a time of 1:05.2. Pete Hamilton was the lane winner for the Loggers with a 23.1 second for the 50 yd. freestyle.

January 7 saw the Logger freshmen and sophmores taking on Highline Community College. The Loggers shuffled their lineup around but still won easily 78-22. A varsity record was established by Dave Voss in the 1000freestyle with a time of 11:34.3. Ten personal best times were turned in by Logger swimmers during this meet.

On January 10th came a dual meet with the University of Idaho. U.P.S. smashed the Vandals 71-33. A new varsity record was set by Bob Knudson in the one meter diving with a 231.75 point total. Also nine more personal best times were turned in by Logger swimmers.

U.B.C. Thunderbirds hosted the Loggers on January 17. U.B.C. jumped of to an early lead but the Loggers came back and bested the Loggers 74-36. In this meet Ron Payne finally bettered Canadian Phil Dockwill in the 200 meter breast and in doing so set a varsity record of 2:42.

The next day on January 18, U.P.S. travelled to Bellingham for a meet with Western Washington. Once again the Loggers juggled their lineup around but still won 64-39.

On January 25th the Loggers entertained P.L.U. in a televised meet. The Loggers rewarded their T.V. audience with a 79-33 defeat of P.L.U. Ron Payne was close to the varsity record for the 200 yd. breaststroke with a fine 2:26.3.

After the semester exams, the Loggers again travelled to the San Francisco area for its annual string of meets with California teams.

On January 31, U.P.S. took on San Francisco State and Fresno State in a double dual meet. The Loggers were victorious against both teams, defeating San Francisco State 80-30 and squeeking by Fresno State 60-53. Ron Payne set a new varsity record of 2:23.9 in the 200 yd. breast and also qualified for the N.C.A.A. college division nationals in that event.

Against the University of California at Davis on February 1, the Loggers did not have one it their better meets and lost by a 66-45 score. For some reason the Loggers have always had troubles in a 33 1/3 yd. pool.

The Loggers were next scheduled to meet Central Washington on February 8th at U.P.S. This was to be its biggest dual meet of the season and U.P.S. was out to break Central's streak of thirty-seven dual meets without a loss. The Loggers set the stage for the meet when they won the 400 yd. medley relay in 3:52.3. over Central's 3:52.6. In this event, breaststroker Jim Ottness anchored in a fine 51.8 to preserve the Logger victory. However, Central came back to one-two the Loggers in the 1000 freestyle.and tie the meet. In the 200 yd. free Dave Voss of the Loggers and Mark Shepherd of Central returned a 1:52.4. Voss was given a judges decision and established a varsity record. This meet went back and forth all day and went down to the last relay with the Loggers trailing 56-50. The Loggers had saved their best sprinters and turned a dual meet record of 3:21.8 to defeat Central and win 57-56. This was a meet where every point counted and third place finishes by Jim Otness in breaststroke and Doug Ewen in the 50 free were instrumental in the Logger victory.

On January 11 the Logger freshmen and sophmores did battle with Highline Community College at the Highline pool. The Loggers moved their swimmers around and came out on top 67-44.

February 14th saw the U.P.S. meet and defeat Eastern at U.P.S. by a score of 73-39. Some Logger swimmers who had not had a chance to swim in many meets got a chance to swim here and showed quite well.

On February 15, the Loggers hosted Oregon State in a televised meet. Oregon State seems to have U.P.S.'s number and this meet proved no exception as the Loggers were drowned 68-45. In all, Oregon State set eleven meet records and

After the semester ended, the Loggers again traveled to the San Francisco area for its annual outing of meets with California teams.

On January 21, U.P.S. took on San Francisco State and Fresno State in a double dual meet. The Loggers were victorious in 1 out both teams, defeating San Francisco State 70-30 and upsetting by Fresno State 60-53. Tom Payne set a new varsity record of 2:23.9 in the 200 yd. breast and also qualified for the N.C.A.A. college division nationals in that event.

Against the University of California at Davis on February 1. the Loggers did not have one it their better meets and lost by a 66-49 score. For some reason the Loggers there always had troubles in a 33 1/3 yd. pool.

The Loggers were back scheduled to meet Central Washington on February 8th at U.P.S. This was to be the biggest dual meet of the season and U.P.S. was out to break Cheney's streak of thirty-seven dual meets without a loss. The Loggers met the stage for the meet when they won the 400 yd. medley relay in 3:52.3. over Central's 3:52.6. In this event, breaststroker Jim Ottness anchored in a fine 51.8 to preserve the Logger victory. However, Central came back to one-two the Loggers in the 1000 freestyle.and tie the meet. In the 200 yd. Brer Dave Voss of the Loggers and mark shepherd of Central returned a 1:52.4. Voss was given a jumper decision and established a varsity record. This meet went back and forth all day and went down to the last relay with the Loggers trailing 56-50. The loggers had saved their best sprinters and turned a dual meet record of 3:21.6 to defeat Central and win 57-56. This was a meet where every point counted and third place finishes by Jim Ottnes in breaststroke and Doug Owen in the 50 free were instrumental in the Logger victory.

On January 11 the Logger freshmen and sophmores did battle with Highline Community College at the Highline pool. The Loggers moved their swimmers around and came out on top 67-44.

February 18th saw the U.P.S. meet and defeat Eastern at U.P.S. by a score of 73-39. Some Logger swimmers who had not had a chance to swim in many meets got a chance to swim here and showed quite well.

On February 15, the Oregon hosted Oregon State in a televised meet. Oregon State seems to have U.P.S.'s number and this meet proved no exception as the Loggers were drowned 66-49. In all, Oregon State met eleven meet records and

and three pool records. Lane meet record for the Loggers was a 3:23.0 for the Logger 400 yd. freestyle relay.

February 18 saw the Loggers at P.L.U. for a meet with the Lutes. Puget Sound once again bested the Lutes, this time by a 72-41 score.

Simon Fraser was in town for a February 22nd meeting against the Loggers. The Clansmen had the strongest team in Canada and had several Canadian Olympians on their team. They set ten meet records and five pool records in downing the Loggers 72-41. The only individual winners for the Loggers were Pete Hamilton in the 50 free and Ron Payne in the 200 breast. The Logger 400 yd. freestyle relay team was also victorious.

The Loggers swam Portland State on March 1 at Portland. The Loggers emerged victorious with a score of 81 to Portland State's 31. Doug Hilleran, one of U.P.S.'s hardest workers was rewarded with a varsity record when he returned a 13:07.4 for 1000 meters freestyle.

On March 7 and 8th U.P.S. took part in the Thunderbird Classic at Highline Community College . Doug Hilleran set a varsity record in the 1650 with a 20:20.4. U.P.S. finished second to Simon Fraser's recorded 526 points to U.P.S.'s 394 points.

The N.C.A.A. College Division Championships took place at Springfield College in Springfield, Mass., from March 20-22. U.P.S. sent Pete Hamilton, Bill Martin, Ron Payne, Kim Lathrop, Setve Kimberly and Dave Voss.

Here were the U.P.S. results:

Pete Hamilton -- 100 yd. freestyle -- 50.0 -- tied varsity record
Ron Payne -- 100 yd. breaststroke -- 1:03.75 -- varsity record finished 11th
-- 200 yd. breaststroke -- 2:23.75 -- varsity record.

Hamilton, Voss, Martin, Kimberly -- 400 yd. free relay -- 3:19.49 a varsity record

-- 800 yd. free relay -- 7:29.82 a varsity record - 5th place

The Loggers ended the dual meet season with a twelve and three record.

and three pool records. Inge Meek record for the Loggers was 3:25.0 for the Logger 400 yd. Freestyle relay.

February 16 saw the Loggers at U.C.L.A. for a meet with the Lubes. Purple Bound once again bested the Lubes, this time by a 72-41 score.

Simon Fraser was in town for a February 22nd meeting against the Loggers. The Clansmen had the strongest team in Canada and had several Olympians on their team. They set ten meet records and five pool records in downing the Loggers 72-41. The only individual winners for the Loggers were Pete Hamilton in the 50 free and Don Payne in the 200 breast. The Logger 400 yd. freestyle relay team was also victorious.

The Loggers swam Portland State on March 1 at Portland. The Loggers emerged victorious with a score of 61 to Portland State's 31. Doug Hilleren, one of U.P.S.'s members was rewarded with a varsity record when he returned a 1:07.4 for 100 meters freestyle.

On March 7 and 8th U.P.S. took part in the Northwest Classic at Highline Community College. Doug Hilleren set a varsity record in the 100 with a 57:20.6. U.P.S. finished second to Simon Fraser's recorded 316 , close to U.P.S.'s 35¼ points.

The N.C.A.A. College Division Championships took place at Springfield College in Springfield, Mass., from March 20-22. U.P.S. sent Pete Hamilton, Bill Austin, Don Payne, Kim Ledbrop, Steve Kimbrey and Dave Yeo.

Here were the U.P.S. results:

Pete Hamilton -- 100 yd. freestyle -- 50.0 -- tied varsity record
Don Payne -- 100 yd. breaststroke -- 1:03.75 -- varsity record
finished 11th
-- 200 yd. breaststroke -- 2:35.75 -- varsity record.

Hamilton, Yeo, Austin,Kimbrey -- 400 yd. free relay -- 3:10.49
a varsity record

-- 800 yd. free relay -- 7:59.62
a varsity record - 5th place

The Loggers ended the dual meet season with a twelve and three record.

February 21 -- U.P.S. 29 -- Oregon State 84

February 27 -- U.P.S. 75 -- Portland State 38

1969 - 1970 began for the Loggers with the biggest group of swimmers and divers ever as twenty-two answered the call to the first turnouts. The only loss for the Loggers was Doug Ewen who had graduated. Among those returning were All-Americans Steve Kimerly, Pete Hamilton, Bill Martin, Dave Voss and Ron Payne. New freshman standout Steve Lougee and All-American distance freestyler from Wilson High School promised to give the Loggers strength in the longer events. Jim Tonellato from Wilson also would strengthen the Logger sprint core.

The first outing of the year for the young Logger team came in the Central Relays on December 6th. Here the Loggers showed extremely well and ended up in a tie for the championship with 113 points, the same as Washington State. Central was third with 100 points. The Loggers were beaten by the Cougs by 1/10 of a second in the final 400 yd. freestyle relay to force a tie for the championship. In an individual event, the 500 freestyle, Steve Lougee set a varsity record with a fine 5:09.1 clocking.

Next competition for the Loggers was the Santa Claus meet held on December 13. The Loggers Steve Lougee, set varsity records in the 200 yd. free at 1:51.9 and in the 500 yd. free at 5:04.5. The Loggers finished second to powerfull Wilson High School who garnered 143 points to the Loggers 68.

Next meet for the Loggers was the Husky Invitational on January 2,3 and 4th. In this meet Steve Lougee set three varsity records. He swam 1:50.4 for the 200 yd. free and 4:57 for the 500 yds. free and 17:26.7 for the 1650 freestyle. Ron Payne swam a good early season 1:04.0 in the 100 yd. breaststroke. Final totals put the Loggers in third place behind University of Washington and Wilson High School.

On January 6th, U.P.S. freshmen and sophmores were surprised by Highline Community College by a score of 59-54.

On January 10th the Loggers were to meet Lewis and Clark in the Logger pool but the Lewis and Clark team never showed up. Thus, the Loggers ran special "Lewis and Clark Memorial Time Trials".

January 16th saw the Loggers at U.B.C. for a meet with the Thunderbirds. The Loggers thumped U.B.C. 84-27. Doug Hilleran set a Logger varsity record of 13:05.2 in the 1000 meter freestyle Steve Lougee went 2:07.5 for a new varsity record in the 200 meter freestyle. Ron Payne broke the Logger varsity record with a 2:40.4 in the 200 meter breaststroke.

On January 17th the Loggers took on the tough Simon Fraser Clansmen from Burnely, B.C. The U.P.S. mermen lost 75-38 but

swam one of their best meets ever in setting nine varsity records. The records were:

Benson, Payne, Lathrop, Tyner -- 400 med. relay -- 4:20.6
Steve Lougee -- 1000 meter freestyler -- 11:29
Jim Tonellato -- 200 meter freestyler -- 2:05.3
Pete Hamilton -- 50 meter freestyle -- 25.4
Steve Lougee -- 200 meter butterfly -- 2:27.7
Pete Hamilton -- 100 meter freestyle -- 56.2
Steve Lougee -- 500 meter freestyle -- 5:45.5
Ron Payne -- 200 meter breaststroke -- 2:39.1
Tonellato, Hamilton, Martin, Kimberly -- 400 meter free free -- 3:46.9

On January 24 the Loggers hosted Pacific Lutheran and the University of Alaska. U.P.S. defeated P.L.U. 77-35 and blasted Alaska 93-13. Steve Lougee set a varsity record of 10:24.3 in the 1000 yd. freestyle. Ron Payne also set a varsity record in the 200 yd. breaststroke with a 2:22.4 clocking.

U.B.C. visited the Loggers on January 31 and the Loggers again bested the Thunderbirds by a 67-44 score.

February 6th saw the Loggers going against Cal. Tech. in California. Cal. Tech had finished tenth in last years N.C.A.A. college division meet but was not as strong this year and the Loggers beat them 88-17. Steve Lougee set a varsity record of 2:12.1 in the 200 yd. I.M.

The next day the Loggers faced Occidental College who had finished sixth in the N.A.I.A. competition. It looked as if the Loggers had it won until the final relay when Occidental overtook a slow anchor leg by U.P.S. and won the relay and the meet 59-54.

On February 13th U.P.S. hosted Western Washington and Oregon College of Education. The Loggers bested Western 73-40 and Oregon College of Education 75-29. Most of the Loggers big guns rested up for the "big meet" with Central the next day.

The meet against Central was held at Ellensburg and a big crowd turned out to see if the Wildcats could avenge last years defeat when U.P.S. ended the Central dual meet win streak at thirty-seven. The meet was close all the way and after the three meter diving the Loggers trailed by two with the score 54-52. As the Loggers had done in the past they turned it on to win the relay and the meet. Bill Martin returned a fine 49.9 for his leg in this relay. Final score for the Loggers was 59-54. In this meet it was Jim Otness who swam a personal best of 2:27.2 to give the Loggers

third place in the 200 breast and enable them to keep in striking distance. He had been credited with the same kind of performance against the Wildcats last year also.

On February 21st the Loggers swam Oregon State. As they did last year the Loggers jumped off to a good lead 13-3 after two events but failed to hold on and were crushed 84-29. One bright spot for the Loggers was a fine 49.8 for the freestyle anchor leg on the Logger medley relay enabling the Loggers to triumph.

On February 27th the Loggers swam their last dual meet of the season against the Portland State Viking. The Loggers mixed their swimmers around and still came out on top by a 75-38 score. Gary Benson tied the varsity record for the 200 yd. Individual Medley with a 2:12.1 clocking.

Final regular season meet for the Loggers was the Thunderbird Classic on March 6-7 at Highline Community College. Steve Lougee set a varsity record in the 1650 with a 17:21.9. In this event he defeated arch rival Pete Harrover of Simon Fraser for the first time. Ron Payne swam to a varsity record 2:22.3 in the 200 yd. breast and Gary Benson set a varsity record in the 400 yd. I.M. with a 4:48.9 clocking.

U.P.S. sent seven swimmers to the N.C.A.A. National College Division Nationals at Oakland University in Rochester, Michigan, March 19-21.The swimmers were Steve Lougee, Pete Hamilton, Bill Martin, Ron Payne, Kim Lathrop, Dave Voss and Jim Tonellato. Steve Lougee placed fourth in the 1650 with a 17:28.908 and sixth in the 500 with a 4:58.816. The Logger 400 medley relay of Martin, Payne, Lathrop and Hamilton recorded a 3:44.614 in finishing ninth. The Logger 800 freestyle relay of Martin, Tonellato, Voss and Hamilton finished sixth in 7:28.307 in prelims. The Logger 400 freestyle relay team of Voss, Tonellato, Hamilton and Martin returned at 3:18.772 in the 400 yd. freestyle relay to finish fifth and set a varsity record. The Loggers finished in a tie for tenth in point standings.

Final dual meet standings for the Loggers were nine wins and four losses.

February 20 -- U.P.S. 53 -- Simon Fraser 60

February 27 -- U.P.S. 86 -- Portland State 27

The 1970 - 1971 season began with nineteen swimmers and divers turning out. Returning All-Americans included Steve Lougee, Dave Voss, Bill Martin, and Jim Tonellato. Missing was Kim Lathrop, All-American in the 400 yd. freestyle relay who transferred, sprinter Pete Hamilton who retired and Ron Payne, breaststroker, who also chose not to compete because of lower grades. Incoming freshmen included Guerry Bethell in the breaststroke, John Sheekley in the I.M. and distance freestyler, Scott Knowles as a backstroker, Hans Wold in the butterfly.

The first meet for the Loggers was the Santa Claus meet at U.P.S. on December 12th. In this meet, U.P.S. finished third with 126 points behind the University of Washington with 238 and Wilson High School with 139. No varsity records were set in this meet as the Loggers were coming off some heavy yardage at this time of year.

On January 8th U.P.S. faced University of Alaska for their second meeting ever. Last year the Loggers trounced Alaska easily but this years team was much improved. U.P.S. won only four events but showed superior depth to win 58-54.

January 9th saw the Loggers hosting Oregon's strongest college division swimming team in Oregon, the College of Education. The Loggers came out victorious 71-42. Guerry Bethell set a varsity record in the 200 yd. individual medley with a 2:10.4 clocking. Jim Tonellato also bested the varsity record in the 200 yd. free with a 1:50.1.

U.P.S. sent swimmers to the 1971 Husky Invitational held on January 8,9, and 10th. Due to the fact that the Loggers had meets on the 8th and 9th they only swam in events taking place on the 10th. Steve Lougee turned a fine early season 17:22.2 for the 1650 free. Guerry Bethell also swam a 2:24.3 for the 200 breast for a personal best time.

On January 16 the Loggers hosted P.L.U. for their tenth meeting. As in the previous nine meetings the Loggers again proved to powerful for the Lutes and triumphed 81-24. In a strange ending both relay teams were disqualified in the last event the 400 yd. freestyle relay.

The U.P.S. squad travelled to California during semester break. In their first meet they faced Humbolt State on January 21st. The Loggers trounced Humbolt 76-37. Guerry Bethell established a new varsity record in the 200 yd. I.M. with a 2:09.5 and Steve Lougee tied the varsity record in the 1000 yd. Breestyle with a 10:24.3 clocking.

The next day the Loggers swam San Jose State. U.P.S. was again victorious by a 64-40 score. The Puget Sound team

got off to a slow start and at one point trailed 32-29. After a one-two finish in the 200 back the Loggers surged ahead to stay.

On January 23rd, the Loggers swam their third meet in three days. It was a double dual meet with Cal. Poly and Cal. State Hayward. The effect of the three meets in three days showed on the Loggers as they lost to Hayward 76-37, although they triumphed over Cal. Poly 68-45.

Highline Community College were Loggers foes on January 26th at Highline. In this meet freshman Guerry Bethell set a varsity record of 2:21.93 in the 200 yd. breaststroke. The Loggers came out victorious 66-47.

Another "big" meet was in store for the Loggers on January 30 as they hosted U.B.C. and Central at U.P.S. Central came into this meet undefeated with a victory over powerhouse Simon Fraser whom the Loggers had not been able to beat for more than four years. The Loggers smashed U.B.C. 85-28 but against Central the meet was decided by 2/10 of a second which was the margin of victory by the Loggers.in the final event - the 400 yd. freestyle relay. The Wildcats had a 50-47 lead with two events to go. Bayard Johnson went into the three meter diving needing a second place to save Puget Sound's hopes. He got it by finishing eleven points ahead of Central. In the final relay Jim Tonellato clocked a 49.5 leadoff for a varsity record in the 100. This was the first time a U.P.S. Logger had been under 50 seconds from a gun start. Tonellato also set a varsity record earlier when he clocked a 1:49.5 in the 200 yd. freestyle. The final score was 57-56 for U.P.S.

On February 6th, the Loggers faced the Washington State Cougars in a televised meet. Jim Tonellato put on a powerful display in setting a varsity record in the 100 free with a 49.2 clocking. He tied the varsity record for 200 yd. freestyle with a 1:49.5. In the final event he clocked a fantastic 47.9 second effort in an attempt to catch the Washington State anchorman. Despite his hurculin efforts, the Loggers lost the relay and the meet 69-44. In this meet Scott Knowles also swam to a varsity record of 2:07.4 in the 200 yd. backstroke.

On February 12th U.P.S. met University of Idaho. The Loggers triumphed 69-42 in a meet that saw Coach Duncan resting his big guns for the meet with Montana.

The University of Montana was the Big Sky Conference Co-Favorites when the Loggers met them and a good meet was in the offering. It started off with a bang as the Loggers

400 yd. freestyle relay swam a 3:47.5 varsity dual meet record in capturing the first race. Scott Knowles also set a varsity record in the 200 yd. backstroke with a 2:06.9 clocking. It came down to the last relay and the Loggers pulled it out with a 3:24.2 clocking to win 63-50.

On February 20th the Loggers met Simon Fraser at Wallace Memorial Pool. The Loggers had been frustrated by the Clansmen for the past four years and this year was to prove no exception. On the strength of their one-two finish in both diving events Simon Fraser triumphed 60-53. The Loggers did swim well and varsity records were set by Jim Tonellato in the 200 yd. free at 1:49.4 and Guerry Bethell at 2:08.6 for the 200 yd. I.M. Bethell also tied his varsity record in the 200 yd. breast with a 2:21.9 clocking.

On February 23rd U.P.S. took on Highline Community College and came out on top 66-45. This was a low pressure meet and the Loggers moved their swimmers around.

February 27th saw the Loggers competing at Portland State University. In the first event of the day the Loggers established a new varsity record in the 400 meter medley relay with a 4:18.8 clocking. In the 200 meter I.M., Gary Benson clocked a 2:27.9 for another varsity record. The score for that meet was 45-27 for U.P.S.

In the Thunderbird Classic atHighline Community College, John Sheekley set a varsity record of 4:37.7 in the 400 yd. I.M. Guerry Bethell also set a Logger mark of 2:07.4 for the 200 I.M. These finishes helped the Loggers to second place with a total of 497 points, behind Simon Fraser's 574.

Nine Logger swimmers qualified for the nationals in Springfield, Mass., March 18-20. They were:

Bill Martin
Dave Voss
Guerry Bethell
Gary Benson
Jim Tonellato
Steve Lougee
Scott Knowles
Hans Wold
John Sheekley

On the first day of the championships the Loggers Steve Lougee established a new Puget Sound varsity record for the 500 free with a 4:55.97 clocking, good enough for fifth place. Guerry Bethell clocked a 2:04.81 in the 200 I.M., good enough for seventh. The U.P.S. medley relay team turned a 3:44.52 which was a varsity record and good enough for eighth place.

On Friday, Guerry Bethell swam a fine 100 yd. breaststroke in a varsity record - 1:03.1 to take sixth. John Sheelkey established a varsity record in the 400 I.M. with a 4:32.9 to take nineth. Jim Toneallto established a 1:49.1 varsity record in the 200 free to take eleventh.

This put the Loggers in sixth position on the last day of the meet but flu struck the Loggers hard. Steve Lougee though very sick, swam an inspired race in the 1650 and finished sixth in 17:37. He was unable to compete in the 400 free relay and Hans Wold took his place. The Loggers finished eleventh in 3:19.07. The Loggers ending the meet in a tie for tenth place.

Loggers overall dual meet record was eleven wins and three losses.

February 25 -- U.P.S. 67 -- Southern Oregon 46

February 26 -- U.P.S. 81 -- Portland State 28

The 1971 - 1972 season began for the Loggers with a large group of nineteen swimmers and divers answering the call. Returning to the squad were All-Americans Guerry Bethell (breast), Scott Knowles (back), Hans Wold (fly), Steve Lougee (free), Jim Tonellato (free) and John Sheekley (I.M.). Also back was backstroker Gary Benson and sprinter Bayard Johnson. This formed a good solid nucleus and with the addition of freshmen Larry Peck (distance free), Paul Jefferson (diver), Robert Tonellato (free) and Rick Unrue (freestyle and butterfly), the Loggers looked strong indeed.

First competition for the Loggers came on December 4th at the Santa Claus meet at U.P.S. The meet is rapidly becoming known as the "U.W. Intrasquat Meet" because of the large number of talented swimmers the "U" brings to this meet. In this meet only one varsity record was set, and that was by John Sheekley in the 400 yd. I.M. with a time of 4:32.8.

On January 6th, U.P.S. started its dual meet season against U.B.C. at the U.P.S. pool. In this meet the Loggers won every event but one and came out on top 79-32. Some good times were turned in by Larry Peck--10:43.3 in the 1000, and by Rick Unrue--50:7 in the 100 free; showing that good times could be expected this year.

On January 7-9 the Loggers swam in the Husky Invitational. The idea of this meet for the Loggers was to get swimmers qualified for nationals early in the season. Rick Unrue did just that with a fine 2:02.2 for 200 yds fly which was also a varsity record. Rick also recorded a fine 55.2 in the 100 fly for another record.

January 11th saw Highline College hosting U.P.S. at Highline. In the first eventboth teams raced to the fastest time ever recorded by two college division teams in the Northwest. The Loggers won by less than a second in a fine time of 3:46.88. In the 200 yd. back Scott Knowles was beaten but still swam fast enough to establish a new varsity record of 2:05.64. Final score was 73-40 in favor of U.P.S.

Next for the Loggers came Washington State at Pullman on January 15th. The Loggers had beaten W.S.U. only once and wanted desperately to take this one. In the first event of the day the Loggers swam to a fine 3:45.3 for a dual meet record and nipped the Cougs. After three events U.P.S. led by 18-7 but that was to be the last time as the Cougars came back strong and bested the Loggers 61-52 even though the Loggers won the last relay of the day. The Loggers won that relay in a fine 3:19.3 for 400 yds. free. Scott Knowles swam a 2:05.2 for a new varsity record in the 200 back.

On January 21st the Loggers had their first home meet as they hosted Western Washington State College. Western

was very weak this year and the Loggers switched their swimmers around as many ways as they could but still trounced Western 102-11 for Western's worst ever defeat.

January 22nd saw U.P.S. entertaining University of Idaho at home. The Loggers had little trouble with the Vandals and came out on top 79-34. Guerry Bethell established a new varsity record of 2:20.9 for the 200 breast. Bothell was upset by teammate Jim Tonellato in the 200 I.M. so felt he had to make up for it in his 200 breast.

On January 28th,U.P.S. was in California for its first of two meets against California State, Haywars; a team that had defeated them twice previously. The Loggers were ready this time and thumped Hayward 76-37. Once again Guerry Bethell set a varsity record as he became the first Logger to go under 2:20 for 200 yd. breast with a 2:19.9 clocking.

On January 29th the Loggers took on Fresno State and after the big meet with Hayward, suffered a bit of a let down but still had plenty to win by a 67-46 score. Scott Knowles tied the U.P.S. record for 200 back with a 2:05.2 clocking.

On February 1st, the Loggers had a return match with Highline College that was to be a memorable one. There were several intense rivalrys between individuals on the two teams , these came to a head when the two teams met. In the 400 yd. medley relay Knowles left the Highline man behind and U.P.S. continued to pull away and won with a varsity record of 3:43.3. Rick Unrue then sped to a 2:01.9 clocking in the 200 fly for another record in the 200 back the charged up Knowles left the bewildered Highline man more that five seconds behind as he established a new varsity record of 2:03.1. Next came Guerry Bethell who won the 200 breast in a varsity record of 2:18.1. Diver Paul Jefferson got in the act with a varsity record in the three meter diving with 233.05 points. When the dust had cleared the Loggers had set five varsity and thirteen meet records in winning every meet. Final score was 94-19 for the Loggers.

The Loggers faced the University of Montana in a home televised meet on February 5th. The Loggers made it look easy for the T.V. audience as they overwhelmed the Grizzlies 84-29. Paul Jefferson continued his record setting as he set another varsity record for the three meter diving with a point total of 263.05. Freshman Rick Unrue was only 3/10 of a second off the varsity record in the 200 yd. free with a 1:49.5 clocking.

On February 9th, the Loggers travelled to Central Washington at Ellensburg for a big meet. Central had not beaten the Loggers for four years and wanted this one badly. It was standing room only as the meet got underway. U.P.S. jumped off to a 15-1 lead and it looked like the Loggers were not going to have too much trouble. However the Loggers were not swimming the times they had been in past weeks and Central began chipping away. The powerful Central divers took one-two in both events of diving and it came down to the last relay with the score reading 53-53. U.P.S. had arrived at this same situation many times before and usually came out on top, this time it was not to be. Thanks to two 48+ relay legs Central pulled it out and won the relay by 5/10 of a second and the meet 60-53. Bright spot for the Loggers was Bayard Johnson. The ex-Logger diver tied the varsity record for 50 yds. with a 22.6 clocking.

On February 11th the Loggers travelled to U.P.C. for a meet with the Thunderbirds. U.P.S.won the meet 72-39 and set varsity records for meters in the following events -- the 400 medley relay 4:15.2; Guerry Bethell in the 200 meters I.M. at 2:23.7; Rick Unrue in the 200 mt. fly at 2.22; Scott Knowles in the 200 meter back at 2:21.2; and Guerry Bethell in the 200 meter breast at 2:36.2.

February 12th had the Loggers against the powerful Simon Fraser Clansmen. Although the Loggers set seven varsity records for meters. They were defeated 75-38. The following records were set:

400 mt. med. relay -- 4:11.3
Jim Tonellato -- 200 mt. free -- 2:04.7
Bayard Johnson -- 50 mt. free -- 25.4
Guerry Bethell -- 200 Mt. I.M. -- 2:23.5
Hans Wold -- 200 mt. fly -- 2;19.8
Scott Knowles -- 200 mt. back -- 2:19.6
400 mt. free relay -- 3:44.0

The Loggers next meet was with Southern Oregon College at Ashland on February 25th. Southern Oregon had gathered a fine group of swimmers and was fast becomming a power to be reckoned with. The Loggers proved to be too tough for S.O.C. and won the meet 67-46.

For its last dualmeet of the season the Loggers faced Portland State. U.P.S. had little trouble and won 81-28. Sprinter Bayard Johnson continued to improve as he set a varsity record of 22.3 for 50 yds. freestyle.

This set the stage for the National College Division Championships at Washington and Lee University in Lexington, Virginia, March 16-18.

On the first day, the Loggers got off to a very slow start with only one point being earned. That point was by Larry Peck finishing eleventh in the 500 free.

The second day was better as John Sheekley set a new varsity record of 4:28.7 for the 400 yd. I.M. in placing eigth. Rick Unrue earned eleventh place in the 200 yd. butterfly and the U.P.S. 800 free relay team earned fifth place with a 7:20.22. In that race Rick Unrue led off in 1:48.4 for a new varsity record in the 200 free.

On the last day Larry Peck swam a varsity record 17:14.72 for fourth place in the 1650.

U.P.S. ended the meet in thirteenth place after their slow start.
